The entire history of America's original pony car, in its full glory. Ford's Mustang is America's most iconic pony car. According to many, it is the only vehicle that really earned the title "pony car." This lavishly illustrated work walks readers through Mustang's 50-plus years of continuous production - a rich and varied history nearly unmatched in the automotive world. From the first six-cylindered Mustang of 1964-1/2 through fire-breathing, world-beating Boss and Shelby versions to today's all-new Mustang, The Complete Book of Mustang offers an in-depth look at the prototypes and experimental models, the anniversary and pace cars, and the specialty packages for street and competition driving that have made the Mustang an automotive legend for more than a half century. Officially licensed and created in cooperation with Ford and providing extensive details, specs, and photographic coverage, this book is the ultimate resource on America's best-loved pony car. No muscle car enthusiast, motorsports fan, or car collector will want to miss this book!

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

Forty years after its introduction, the Fox Body Mustang has come of age, and this new book chronicles all the best procedures for restoring these affordable yet appreciating classics! In this new Restoration series title from CarTech, all the procedures and best practices for restoring your Fox Body will be covered. Chapter subjects include a history of the cars, tools, and equipment required; body repair; interior refurbishment; the climate control system; wheels; engine and driveline rebuilding; electrical troubleshooting and repair; and finally a large index of Fox Mustang facts, including paint codes, production numbers, option codes, data plate decoding, and more. Never before has Fox Body Mustang restoration been covered in a full-color instructional format. If you are considering a full-blown restoration, or would just like some good advice on how to repair certain sections of your car, this restoration guide is a valuable tool in your toolbox.
