Marketing exec Lucy Cunningham is thrilled when her firm lands The Palm Club account. The campaign concept for Miami's hottest fitness club was Lucy's idea: take one fitness-challenged woman, put her in front of TV cameras, and into the hands of the club's top personal trainer, Theo Redmond. And there's a big cash reward for each pound shed. It seems like a brilliant idea-until Lucy gets picked to be the guinea pig. It's obvious she needs to drop the pounds, but the idea of letting it all hang out in front of some Malibu Ken jock has her choking on her Milk Duds before she even begins! After one meeting, Theo knows Lucy will be his toughest client and one of the most unforgettable women he'll ever meet. Smart-mouthed and stubborn, it's clear she isn't fond of marching to anyone's drumbeat but her own. But she shocks Theo by rising to the challenge like a pro. And he finds his heart in jeopardy long before Lucy starts to slim down and turn heads. As Lucy sweats her way into a whole new life, things start to heat up between her and Theo. But trust doesn't come easy for either of them. They've both been burned by romance in the past. Now Lucy and Theo are about to discover that appearances can be deceiving-and in the end, true love lies somewhere between pizza and Pilates...

Making use of recent masculinity theories, Joseph A. Kestner sheds new light on Victorian and Edwardian adventure fiction. Beginning with works published in the 1880s, when writers like H. Rider Haggard took inspiration from the First Boer War and the Zulu War, Kestner engages tales involving initiation and rites of passage, experiences with the non-Western Other, colonial contexts, and sexual encounters. Canonical authors such as R.L. Stevenson, Rudyard Kipling, Joseph Conrad, and Olive Schreiner are examined alongside popular writers like A.E.W. Mason, W.H. Hudson and John Buchan, providing an expansive picture of the crisis of masculinity that pervades adventure texts during the period.

For fans of Prep, Dead Poets Society, and Special Topics in Calamity Physics comes an elegant and remarkably insightful coming-of-age debut, in which a young woman 's serendipitous discovery of her college 's underground Shakespeare Society leads to an unforgettable series of transformations. When Naomi finds herself among " the Shakes " at Wellesley, she finally lets herself embrace the passionate inner self she 's always kept locked away. But when a sudden scandal unfolds, she will be forced to learn the limits of the relationships that have sustained her. An intimate and enthralling narrative, Elizabeth
