Meet the dog-and-cat duo taking outdoor adventure to new heights. Henry and Baloo are

## Access Free 2018 Horses Wall Calendar

a real-life dog/cat sibling pair, based in Colorado, whose unconventional friendship has won the hearts of humans worldwide. Whether they're scaling mountains or cozying down in a tent, these two are never far from each other's side and always ready for their next trek. Wanting to share their explorations with friends and family, photographer and the pair's proud owner, Cynthia Bennett, began capturing Henry and Baloo on their outdoor adventures—with vivid colors and stunning backdrops surrounding them in every shot. Now never-before-seen photos and untold stories are compiled in a book for fans to enjoy. More than beautiful photography and a sweet story, Our Wild Tails champions friendship in the most unlikely of places and proves to readers that love is universal. Cynthia Bennett, photographer and explorer, lives in Colorado Springs, Colorado, with her dog (Henry), cat (Baloo), and partner, Andre.

Fill your upcoming 2017, with 16 months of Horses all year round. This beautiful mini calendar contains 16 months and 3 mini 2016, 2017, and 2018 year calendars.

Have you encountered a Gypsy Vanner horse? If you can answer yes to that question, whether you are a horse person or not, you have, if for only a moment, been captivated. The out-of-the-box beauty of these horses has been turning heads since the late 1990s when they were first introduced as a breed. The horse

## Access Free 2018 Horses Wall Calendar

is a lifetime achievement of the Gypsy culture in Ireland and England. However, given the nature of this culture, the world of the internet and the horse industrys driving force, horse trading, confusion rather than understanding has appeared in the form of multiple breed names, multiple registries, and variety rather than consistency in breeding. Stealing Gypsy Treasure offers food for thought and clarity for those who have been drawn to these mysteriously magical and enchanting animals. If you are new to these horses, this will be a welcome introduction to the Gypsy people and how nature chose this intriguing culture to create one of its most remarkable works of art.

Netflix's BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of

# Access Free 2018 Horses Wall Calendar

creator/ showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, *The Art Before the Horse* goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: *BoJack Horseman 2019 Wall Calendar* (ISBN: 978-1-4197-3177-8)

Fill your upcoming 2019, with 16 months of *Horses* all year round. This beautiful mini calendar contains 16 months and 3 mini 2018, 2019, and 2020 year calendars.

Fill your upcoming 2017, with 16 months of *Wild Horses* all year round. This beautiful mini calendar contains 16 months and 3 mini 2016, 2017, and 2018 year calendars.

Why photograph horses? Because, in the words of author Carol Walker, they "fill our hearts", and capturing them on film or in digital images expresses that relationship. We want to catch and hold -- and show -- their spirit, their tremendous joy in living, their unique personalities, and of course, their incomparable beauty. And we want the quality of our images to honour our glorious subjects. Photographing horses presents a double challenge, the first being the technical aspects -- the lenses, the setting,

# Access Free 2018 Horses Wall Calendar

the light and speed, and how all those relate to the subject. The second element is more elusive; it is horse knowledge -- the educated ability to see how a horse moves, sense its moods, and understand its psychology as a prey animal. This book presents the tools to master both technique and subject matter. More than that, the book will stir your creativity and inspire you to spend more time focusing on these animals you admire. Carol Walker has travelled the world photographing animals for almost 30 years, and since 2000 has concentrated on horses, including the object of her greatest passion, America's wild horses. Carol's stunning images illuminate the relationship between horses and their people, as well as showcase the beauty of horses at liberty. She teaches equine photography workshops for amateurs, and her commercial work includes fine art, magazine covers, and calendars. Her first book, "Wild Hoofbeats: America's Vanishing Wild Horses" is in its second printing and has won numerous awards for the quality of images and evocative writing. This book will be the reference of choice for any photographer aspiring to do justice to that most appealing of animals, the horse.
