365 Nights: A Memoir of Intimacy: Muller, Charla, Thorpe ...

Not an easy feat to make 365 nights of sex boring, but this book nailed it. After the first chapter, I started skimming, and eventually flipped to the back of the book and began reading it backwards. A vein of saccharin passive-aggression permeated the book, especially in passages about her husband's family.

365 Nights: A Memoir of Intimacy by Charla Muller

When Charla Muller's husband turned 40, she gave him something memorable. Sex. Every day. For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of

365 Nights: A Memoir of Intimacy - Kindle edition by ...

365 Nights is one woman's memoir of her year fulfilling her husband's 40th birthday gift: sex every day for one full year. While not the most well-written (she seemed to jump from topic to topic a lot), it was easy to follow and very personal.

Quotes by Charla Muller "you cannot spontaneously burst into passionate and smoldering lovemaking in the "married with kids" model. And anyone who is married with kids and says they can and they do... well, they are lying." — Charla Muller, 365 Nights: A Memoir of Intimacy

In a candid and gently humorous memoir, the author describes how, after years of a solid marriage and two children, she embarked on a plan to reconnect with her husband and to restore intimacy to their relationship by embarking on a plan of scheduled sex everyday for an entire year. Original.

When Charla Muller's husband turned 40, she gave him something memorable. Sex. Every day. For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, exactly, but their connection didn't seem as great as it could be. Charla decided she couldn't go on pretending the relationship they once had wasn't important. The couple would embark on a year of scheduled sex, falling over Tonka trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way (work implosions, faking it) and questions came to light. Will sex every day strengthen a marriage, or reveal the cracks? Pull a couple together or drive them apart? Does good sex (even mediocre sex) make up for things that aren't so good?

When Charla Muller's husband turned 40, she gave him something memorable. Sex. Every day. For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, but their connection didn't seem as great as it could be. Charla decided she couldn't go on pretending the relationship they once had wasn't important. Pull a couple together or drive them apart? Does good sex (even mediocre sex) make up for things that aren't so good? And what happens when you'd just rather not?

Demi Lovato wakes up each morning and affirms her commitment to herself—to her health, her happiness, her being. Those commitments are the bedrock of her recovery and her work helping other young people dealing with the issues she lives with every single day. Demi is a platinum-selling recording artist whose latest album—DEMI—is already a smash hit. She's about to embark on her second season as a judge on X-Factor, and just launched The Lovato Treatment Scholarship Program. And she is an outspoken advocate for young people everywhere. Demi is also a young woman finding her way in the world. She has dealt deftly with her struggles in the face of public scrutiny, and she has always relied, not just on friends and family, but daily affirmations of her self-worth and value. Affirmations that steady her days and strengthen her resolve. Those affirmations have grown into STAYING STRONG, a powerful 365-day collection of Demi's most powerful, honest, and hopeful insights. Each day will provide the readers with a quote, a personal reflection and a goal. These are Demi's words. Words she lives by and shares with the people she loves and total strangers alike. They are a powerful testament to a young woman standing up and fighting back.

WONDER IS NOW A MAJOR MOTION PICTURE STARRING JULIA ROBERTS AND JACOB TREMBLAY! Over 8 million people have read the #1 New York Times bestseller Wonder—the book that inspired the Choose Kind movement—and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. In Wonder, readers were introduced to memorable English teacher Mr. Browne and his love of precepts. This companion book features conversations between Mr. Browne and Auggie,

Julian, Summer, Jack Will, and others, giving readers a special peek at their lives after Wonder ends. Mr. Browne's essays and correspondence are rounded out by a precept for each day of the year—drawn from popular songs to children's books to inscriptions on Egyptian tombstones to fortune cookies. His selections celebrate the goodness of human beings, the strength of people's hearts, and the power of people's wills. There's something for everyone here, with words of wisdom from such noteworthy people as Anne Frank, Martin Luther King Jr., Confucius, Goethe, Sappho—and over 100 readers of Wonder who sent R. J. Palacio their own precepts.

One recent December, at age 53, John Kralik found his life at a terrible, frightening low: his small law firm was failing; he was struggling through a painful second divorce; he had grown distant from his two older children and was afraid he might lose contact with his young daughter; he was living in a tiny apartment where he froze in the winter and baked in the summer; he was 40 pounds overweight; his girlfriend had just broken up with him; and overall, his dearest life dreams—including hopes of upholding idealistic legal principles and of becoming a judge--seemed to have slipped beyond his reach. Then, during a desperate walk in the hills on New Year's Day, John was struck by the belief that his life might become at least tolerable if, instead of focusing on what he didn't have, he could find some way to be grateful for what he had. Inspired by a beautiful, simple note his ex-girlfriend had sent to thank him for his Christmas gift, John imagined that he might find a way to feel grateful by writing thank-you notes. To keep himself going, he set himself a goal--come what may--of writing 365 thank-you notes in the coming year. One by one, day after day, he began to handwrite thank yous--for gifts or kindnesses he'd received from loved ones and coworkers, from past business associates and current foes, from college friends and doctors and store clerks and handymen and neighbors, and anyone, really, absolutely anyone, who'd done him a good turn, however large or small. Immediately after he'd sent his very first notes, significant and surprising benefits began to come John's way--from financial gain to true friendship, from weight loss to inner peace. While John wrote his notes, the economy collapsed, the bank across the street from his office failed, but thank-you note by thank-you note, John's whole life turned around. 365 Thank Yous is a rare memoir: its touching, immediately accessible message--and benefits--come to readers from the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a miraculously good life. To read 365 Thank Yous is to be changed.

The story describes vividly the mixed bag of soldiers whose main agenda is not only to kill the Viet Cong but to simply make it through each of the 365 days and be give their wake-up.

National Book Award Finalist: The Vietnam War as seen through the eyes of an army doctor—"a book of great emotional impact" (The New York Times). In 1968, as a serviceman in the Vietnam War, Dr. Ronald Glasser was sent to Japan to work at the US Army hospital at Camp Zama. It was the only general army hospital in Japan, and though Glasser was initially charged with tending to the children of officers and government officials, he was soon caught up in the waves of casualties that poured in from every Vietnam front. Thousands of soldiers arrived each month, demanding the help of every physician

Download Ebook 365 Nights A Memoir Of Intimacy

within reach. In 365 Days, Glasser reveals a candid and shocking account of that harrowing experience. He gives voice to seventeen of his patients, wounded men counting down the days until they return home. Their stories bring to life a world of incredible bravery and suffering, one where “the young are suddenly left alone to take care of the young.” An instant classic of war literature, 365 Days is a remarkable, ground-level account of Vietnam’s human toll.

Morning Coffee is a practical approach to reading and applying the Word. Many people have a hard time getting going in the morning, which can make for a long week. This book will give people the edge they need to motivate them to make it through the day and ultimately through the week. If our spirit is satisfied daily, the rest of our body will fall in line. Everybody feels like they need a morning cup of joe, and by the power of the Holy Spirit, I submitted my will to the Lord's to be used to brew up the flavor of the day. So as the sun rises, find a quiet place to make time for the Morning Coffee. This is the right way to start your day. When you are empty, He will fill your cup.
