No one messes with The Skulls and gets away with it! The last thing Angel Marston ever wanted was be at the mercy of The Skulls. They're the local bikers and the club that helps keep the town safe, but they have their own kind of rules. They party hard and do whatever the hell they want. But her father's debts to the club mean Angel has no choice. Lash loves his club, but he wants a woman who hasn't slept with all the crew. Angel is just what he's looking for. She's sweet, young ... and a virgin. He wants her more than anything and has already staked his claim on her. When Lash touches her, Angel can't help but melt. He sets fires inside her body with his wandering hands and sinful lips. She can't say no, and she wants him desperately. But when all seems to be going so well for Angel and Lash, their pasts catch up to them. The Skulls have enemies who want the town and their women. Lash must decide who to put first, the club or his woman. Is Angel strong enough to stand by his side when the going gets tough? And what will happen when tragedy and pain both hit at once?

Tiny is the leader of The Skulls and the main protector of Fort Wills, but that wasn't always the case. He has a dark past, and it's about to come and bite him in the ass. Eva cannot stay with a man who'll keep her in the dark. She's the daughter of the man who runs the underground fighting circuit in Vegas, and there is iron in her that none of the Skulls suspects. Backing down from what she wants has never been in her nature, but Tiny is too far gone. There's no hope of holding him. When Tiny and his boys are attacked on a drug run, he has no choice but to head to the woman he loves. Tiny doesn't know which of his men are alive or dead. He only knows his past has finally caught up with him. But how can he go back home without his daughter's man? Lives will be tested, and lives will be lost. Tiny will be pushed to the breaking point, and he'll have to make a choice. Who can he save when all seems lost?

Zero's foolish mistake could get them all killed. Ten years ago, Zero tortured a man for killing his friend. Then Zero set the building on fire, to kill the man and torch the evidence. When he left the burning building, he thought the man was dead-but he wasn't. Now, Zero's enemy is back, and the game of cat and mouse is about to start. Prue has loved Zero for a long time. He was her brother's best friend, and he's protected her through thick and thin. After she got shot by his enemy, he's there to save her life. The ghost of his enemy lurks everywhere, hitting out when they least expect it. No one can stop him, and no one can save them. One by one, Zero's friends fall, and he's helpless to stop it. His enemy has all the control, and there's nothing he can do. The only one he can trust is Prue. She's been with him through everything, and now it's time for them to take the man responsible for tearing their lives apart and put him in the ground. How much can Zero sacrifice before it's too late?

The biggest mistake he's ever made could get him killed. The Skulls have a set of rules, and Nash has broken one of them. He's using drugs. Since Sophia rejected him, Nash has been spiraling out of control. When he puts Eva's life in danger it's up to Nash's brother Lash to save him from himself. Sophia never realized the protection The Skulls provided her until she was attacked. Lash saved her but with an ultimatum. She helps save his brother, or he makes it known she's not under Skull protection. Sophia's feelings for Nash have always been her weakness. As she keeps her word to his brother, trying to help Nash overcome his addiction, the two of them grow closer through his pain, and Sophia realizes she cannot run any longer. However, The Skulls' enemies are numerous, and Nash's careless behavior has exposed the whole club to danger. Someone is plotting against the club in the hope to take control of the town, and they're going to start with Nash. Can he stay strong as his life and that of his woman are endangered, or will he relapse into the drugs?

An attack is ordered on Tate, but no one knows the identity of the person intent on taking down The Skulls and controlling the town of Fort Wills. No one is safe as the club is compromised. Lives are lost, people are hurt, and some will never be the same again. Everything comes down to Murphy, and he has to make a choice. He can save his club ... or his woman. Which will he choose?

Some schools have honor codes. Others have handbooks. Themis Academy has the Mockingbirds. From the glossy pages of its admissions brochure, the prestigious Themis Academy appears perfect in every way: exceptional academics, extraordinary students, the kind of extracurriculars to make an Ivy League proud, and zero instances of student misbehavior. But this boarding school isn't as pristine as it appears. There's a dark underbelly to the perfect record the Themis administration flaunts. Student infractions are rampant, and it's up to a secret vigilante society, the Mockingbirds, to maintain order on campus—a responsibility their members take very seriously. Alex Patrick never thought she would need the Mockingbirds. But when she's date-raped by another student, she doesn't know where else to go. As much as she'd like to forget what happened, she can't escape the daily reminders of what went wrong that terrible night. Before she can summon the courage to take a stand, she'll have to accept that her battle for justice is not hers alone. Standing up for someone, especially yourself, is worth the fight.

A Southern Living Best New Book of Winter 2019; A Refinery29 Best Book of January 2019; A Most Anticipated Book of 2019 at The Week, Huffington Post, Nylon, and Lit Hub; An Indie Next Pick for January 2019 “Ghost Wall has subtlety, wit, and the force of a rock to the head: an instant classic.” —Emma Donoghue, author of Room “A worthy match for 3 a.m. disquiet, a book that evoked existential dread, but contained it, beautifully, like a shipwreck in a bottle.” —Margaret Talbot, The New Yorker A taut, gripping tale of a young woman and an Iron Age reenactment trip that unearths frightening behavior The light blinds you; there’s a lot you miss by gathering at the fireside. In the north of England, far from the intrusions of cities but not far from civilization, Silvie and her family are living as if they are ancient Britons, surviving by the tools and knowledge of the Iron Age. For two weeks, the length of her father’s vacation, they join an anthropology course set to reenact life in simpler times. They are surrounded by forests of birch and rowan; they make stew from foraged roots and hunted rabbit. The students are fulfilling their coursework; Silvie’s father is fulfilling his lifelong obsession. He has raised her on stories of early man, taken her to witness rare artifacts, recounted time and again their rituals and beliefs—particularly their sacrifices to the bog. Mixing with the students, Silvie begins to see, hear, and imagine another kind of life, one that might include going to university, traveling beyond England, choosing her own clothes and food, speaking her mind. The ancient Britons built ghost walls to ward off enemy invaders, rude barricades of stakes topped with ancestral skulls. When the group builds one of their own, they find a spiritual connection to the past. What comes next but human sacrifice? A story at once mythic and strikingly timely, Sarah Moss’s Ghost Wall urges us to wonder how far we have come from the “primitive minds” of our ancestors.
