A thorough guide to making your cursive writing efficient, legible, and expressive.

Spencerian penmanship is considered the pinnacle of classic handwriting and cursive--now a lost art. Offering a bind up of 6 books in 1, this hands-on guide is the only all-in-one edition of L.P. Spencer's theory and practice workbooks for learning and practicing perfect lettering.

Revisit the lost art of writing with these fun prompts, worksheets, exercises—and more!—and experience the many benefits of writing by hand, including increased focus and memory, relaxation, and creative expression. Writing by hand may seem passé in the digital age, but it shouldn't be dismissed as simply an activity for grade schoolers—it offers countless benefits that have been studied by researchers, brain neurologists, therapists, educators, and others who are invested in helping handwriting thrive in an age of advancing technology. Handwriting may be slower than typing—but this gives your brain more time to process information, and stimulates neurological connections that aid in memory, focus, and composition. The process of handwriting can also have a soothing, calming effect and can even serve as a great form of meditation. And of course, it's a great way of expressing your individuality and personal style. The Lost Art of Handwriting explores the history of writing longhand, and reintroduces proper stroke sequences, letter forms, and techniques for evaluating and improving your handwriting. You will discover how the amazing variety of letter forms provide endless opportunities for making these alphabets your own, and how to choose alternatives that fit your preferences while keeping your writing neat, consistent, and unique to you. You'll learn how to connect letters in cursive writing to help you write more smoothly, and with practice, more efficiently. Learn how easy it is to apply what you've learned into your everyday life with tips for integrating handwriting practice into already jam-packed schedules. Soon, you'll notice a steady increase in the relaxation, value, and joy that handwriting offers to everyone who persists in putting the pen or pencil to paper.

Relearn the beautiful art of cursive handwriting! In this type, tap and swipe world, you have few opportunities to write in cursive. As a result, your skills diminish. Then, when the critical moment arises and you need to personally write something in your own hand, the results are not very impressive. In fact, they're embarrassingly bad. Written and designed specifically for an adult audience, this book's program for relearning cursive is guaranteed to take your penmanship to a new level. You will relearn the strokes and techniques and practice with the workbook pages. The instructions are easy to follow but designed for adults, so they present the information in a more compelling way. You'll find no "a is for apple" practice pages in this book. The exercises and sample pages are geared specifically for a more mature audience to help you relearn and practice cursive handwriting in a fun and friendly way.

This fascinating and wide-ranging book charts developments in the teaching and study of handwriting over the course of the twentieth century. The book shows how changing educational policies, economic forces and inevitable technological advance have combined to alter the priorities and form of handwriting. This 'long and sometimes sorry story' tells also of the sheer pain and hard work of children forced to follow the style of the day, and of the reformers who have sought to simplify the teaching and learning of handwriting over the years. Illustrated throughout with examples from copybooks and personal handwriing from across the world, the book is a compelling historical record of techniques, styles and methods.

Practical guide teaches elegant 18th-century writing style. Each letterform demonstrated stroke by stroke with clear explanation. Write quotations, poems, invitations, more. Numerous black-and-white illus. Bibliography.

This workbook, Cursive Handwriting Practice Workbook for Adults, offers adults (or teenagers) an age-appropriate opportunity to develop cursive handwriting skills. The phrases and sentences were specially selected with adults (or teens) in mind. Blank lines are narrower than standard children's practice worksheets. A relaxing theme may appeal to people of all ages. One chapter challenges you to rewrite printed sentences with cursive handwriting. This will test your mastery of the letters. The last chapter provides cursive handwriting prompts. A chart shows you how to write the cursive alphabet, and a couple of quick chapters at the beginning offer practice with letters and words.
