American Horizons: U.S. History in a Global Context 3e

A two-volume primary source collection, expertly edited by the authors of American Horizons, provides a diverse set of documents that situate U.S. History within a global context. Covering political, social, and cultural history, the nearly 200 selections—including many visual documents—will spark discussion in the classroom and give students a deeper understanding of America's history. Reading American Horizons includes solid pedagogy to make the documents more accessible to students.

American Horizons is the only U.S. History survey text that presents the traditional narrative in a global context. The seven-author team uses the frequent movement of people, goods, and ideas into, out of, and within America's borders as a framework. This unique approach provides a fully integrated global perspective that seamlessly contextualizes American events within the wider world. The authors, all acclaimed scholars in their specialties, use their individual strengths to provide students with a balanced and inclusive account of U.S. history. Presented in two volumes for maximum flexibility, American Horizons illustrates the relevance of U.S. history to American students by centering on the matrix of issues that dominate their lives. These touchstone themes include population movements and growth, the evolving definition of citizenship, cultural change and continuity, people's relationship to and impact upon the environment, political and ideological contests and their consequences, and Americans' five centuries of engagement with regional, national, and global insitutions, forces, and events. In addition, this beautifully designed, full-color book features hundreds of photos and images and more than one hundred maps. American Horizons contains ample pedagogy, including: * America in the World, visual guides to the key interactions between America and the world * Global Passages, which feature unique stories connecting America to the world * Visual Reviews providing post-reading summaries to help students to connect key themes or events within a chapter * Maps and Infographics that explore essential themes in new ways

Hundreds of eyewitness accounts of great moments in American history include Langston Hughes on the Scottsboro boys, Jack London on the 1906 San Francisco earthquake, and other chronicles of the Salem witch trials and the Scopes trial

The Mexican-American War (1846-48) found Americans on new terrain. A republic founded on the principle of armed defense of freedom was now going to war on behalf of Manifest Destiny, seeking to conquer an unfamiliar nation and people. Through an examination of rank-and-file soldiers, Paul Foos sheds new light on the war and its effect on attitudes toward other races and nationalities that stood in the way of American expansionism. Drawing on wartime diaries and letters not previously examined by scholars, Foos shows that the experience of soldiers in the war differed radically from the positive, patriotic image trumpeted by political and military leaders seeking recruits for a volunteer army. Promised access to land, economic opportunity, and political equality, the enlistees instead found themselves subjected to unusually harsh discipline and harrowing battle conditions. As a result, some soldiers adapted the rhetoric of Manifest Destiny to their own purposes, taking for themselves what had been promised, often by looting the Mexican countryside or committing racial and sexual atrocities. Others deserted the army to fight for the enemy or seek employment in the West. These acts, Foos argues, along with the government's tacit acceptance of them, translated into a more violent, damaging variety of Manifest Destiny.

Young America is a star-spangled account of the perilous, exuberant, dissenion-filled first six decades of the United States. The book opens with George Washington's triumphant journey to New York City for his inauguration as first president of the United States. It ends with Abraham Lincoln's solemn farewell to Springfield as he takes a train to Washington to become the sixteenth - and almost the last - president of a country torn by the secession of seven of its states. In between, historian Francis Russell vividly details the events that first molded the American way of life and gave the young nation the will and ability to survive.

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself." Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume 1 begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans.The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Goodnight, I Wish You Goodnight is the first book in the continuing Hood Picture Book Series. This is a delightful bedtime story to soothe and relax young children before they fall asleep. The tradition of the bedtime story has been around since before the written word. For generations, and in every culture around the world, parents have prepared their children for bed by telling them stories. Goodnight, I Wish You Goodnight is a soothing bedtime story to be told and retold. With the popularity of Japanese Anime cartoon styles, the artwork in this book will entertain young readers as they participate in the nighttime ritual of saying "goodnight" to all of their beloved treasures. Enjoy this easy-to-read bedtime story by author Karen Jean Matsko Hood. Each one of the pages is thoughtfully illustrated with warmth and love. Your children and grandchildren will ask you to read this book to them again and again. This book is a must for all families to have in their library. Goodnight, I Wish You Goodnight makes a great gift for that special friend or child to enjoy.

A little bit of this, a little bit of that. Shit, Niggas need to know!

Have You Lost Your Way? We always have the best intentions for whatever endeavors we undertake. Whether it's a relationship, a career, a weight loss program, a business, or just life in general, we always hope for the best. Unfortunately, things often transpire differently than what we intended. Blinded by the problems we face, no matter the magnitude, it's difficult to envision the way forward. A coach can mean the difference between catastrophe and comeback. Here, America's top coaches reveal the benefits of coaching, the different coaching specialties, and how just one phone call can change the trajectory of your life. If you're lost and don't know where to turn, this resource will prove valuable in demystifying the world of coaching. Armed with knowledge, you can take the first step in changing your life for the better. Featuring interviews with: Judith Auslander of Wise Heart Coaching & Hypnosis; Angela Ambrosia of LoveandRelationshipCoach.com; Kerry Labendz of Kerry Labendz - Life Coach; Grant M. Ingle, PhD of Grant M. Ingle and Associates; Kellee Tyler of A Goal Achieved, LLC.; Jalaal Akeem Madyun of JAM Life Coaching; Iris Fanning of Iris Fanning Coaching; Clary Torres of Clary Torres Intl.; Nina Elisa Segura of Metaspire; Colette D. Ellis of InStep Consulting LLC

People are fascinated by their birth date and what else happened on that day throughout history. This is the perfect birthday gift for friends and family members, guaranteed to be remembered as one of the most interesting gifts they receive! Full of not only the usual historic events from news, sports and the entertainment world, but also including quite a bit of captivating trivia.
