A guide to refocusing your business on those who matter most: customers and employees. Technology and social media tools have made it easier than ever for companies to communicate with consumers. They can listen and join in on conversations, solve problems, get instant feedback about their products and services, and more. So why, then, are most companies not doing this? Instead, it seems as if customer service is at an all time low, and that the few companies who are choosing to focus on their customers are experiencing a great competitive advantage. At Your Service explains the importance of refocusing your business on your customers and your employees, and just how to do it. Explains how to create a culture of empowered employees who understand the value of a great customer experience Advises on the need to communicate that experience to their customers and potential customers Frank Elason, recognized by BusinessWeek as the 'most famous customer service manager in the US, possibly in the world,' has built a reputation for helping large businesses improve the way they connect with customers and enhance their relationships At Your Service will appeal to leaders, managers, business owners, customer service professionals, and anyone who wants to learn how to add value to their organization.

Chloe loves working as a junior concierge at an exclusive NYC hotel—but when three royal kids come to stay, her hospitality is put to the ultimate test! Chloe Turner has pretty much the BEST life. She gets to live in the super fancy Hotel St. Michele. New York City is her hometown. And her dad, Mitchell Turner, concierge extraordinaire, is teaching her all the secrets of the business so she can follow in his footsteps. After helping him out with a particularly difficult kid client, Chloe is appointed the official junior concierge, tending to the hotel's smallest, though sometimes most demanding, guests. Her new position comes with tons of perks like cupcake parties, backstage passes to concerts, and even private fittings with the hippest clothing designers. But Chloe hasn't faced her toughest challenge yet. When three young royals (including a real-life PRINCE!) come to stay, Chloe's determined to prove once and for all just how good she is at her job. Except the trip is a total disaster—especially when the youngest royal disappears. Now it's up to Chloe to save the day. Can she find the missing princess before it becomes international news?

A short, communicative course for the low-level learner of American English.

Essential language practice for tourist industry professionals.

"Education as Service" by J. Krishnamurti. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A butler. A spy. A toilet brush. A romantic suspense cosy spy-thriller-mystery with a dash of grittiness and humour. It's Charade meets Remains of the Day. If Major Kitt can't protect Mae, he'll lose the best butler-and scrambled eggs-a spy ever loved.

Now a Major Motion Picture Directed by American Sniper Writer Jason Hall and Starring Miles Teller The wars of the past decade have been covered by brave and talented reporters, but none has reckoned with the psychology of these wars as intimately as the Pulitzer Prize-winning journalist David Finkel. For The Good Soldiers, his bestselling account from the front lines of Baghdad, Finkel embedded with the men of the 2-16 Infantry Battalion during the infamous "surge," a grueling fifteen-month tour that changed them all forever. In Finkel's hands, readers can feel what these young men were experiencing, and his harrowing story instantly became a classic in the literature of modern war. In Thank You for Your Service, Finkel has done something even more extraordinary. Once again, he has embedded with some of the men of the 2-16—but this time he has done it at home, here in the States, after their deployments have ended. He is with them in their most intimate, painful, and hopeful moments as they try to recover, and in doing so, he creates an indelible, essential portrait of what life after war is like—not just for these soldiers, but for their wives, widows, children, and friends, and for the professionals who are truly trying, and to a great degree failing, to undo the damage that has been done. The story Finkel tells is mesmerizing, impossible to put down. With his unparalleled ability to report a story, he climbs into the hearts and minds of those he writes about. Thank You for Your Service is an act of understanding, and it offers a more complete picture than we have ever had of these two essential questions: When we ask young men and women to go to war, what are we asking of them? And when they return, what are we thanking them for? One of Publishers Weekly's Best Nonfiction Books of 2013 One of The Washington Post's Top 10 Books of the Year A New York Times Notable Book of 2013 An NPR Best Book of 2013 A Kirkus Reviews Best Nonfiction Book of 2013

When disaster strikes at Boomer's Service Dog Graduation Day, he sets off to find a family on his own. Catastrophe after calamity leave him feeling hopeless until a furry feline changes his fate forever. Boomer discovers friendship, his happily-ever-after home, and his special purpose in life.
