Justice of Victoria 1852 1857 (Lives
of Australian Chief Justices)

This new edition of *Retreat from Injustice* has the strengths and style of its predecessor: the account of human rights in Australia is firmly grounded in historical and international contexts; the availability and limitations of rights and freedoms are clearly detailed and illustrated with cases; and a particular spotlight is placed on key current human rights issues including terrorism, indigenous issues and asylum seekers.

This century's most ardent advocate of the First Amendment and one of the country's most controversial and outspoken figures shares his life story,
