There is general agreement that in the distant past Oriya, Assamese, and Bengali formed a single branch, from which Oriya split off first and Assamese later. This is one reason that the earliest specimens of Bengali language and literature, the Charyapadas (Buddhist mystic songs), are also claimed by speakers of Oriya and Assamese as their own. The Bengali linguists Suniti Kumar Chatterji and Sukumar Sen suggested that Bengali had its origin in the 10th century ce, deriving from Magahi ...

(PDF) Evolution of Bengali Literature: An Overview

The marvellous sculptural design of the Boro Buddor temple of Java owed its execution, in no inconsiderable degree, to Bengali artists, who worked side by side with the people of Kalinga and Guzrat, to whom that island was indebted for its ancient civilization. In the vast panorama of bas-reliefs in that temple, we find numerous representations of ships which the people of lower Bengal built ...

Criticism of Bengali literature of the late 19th and early 20th centuries; a study.

An original and compelling account of the Hindu partitionist movement in Bengal.

The essays in the volume deal with a broad range factors integral to Indian history in the early modern era. They unfold many facets of the trade, politics and society of the country and offer new perspectives which will help dispel some long held misconceptions. The first part of the book is concerned mainly with trade and commerce in Bengal while subsequent chapters provide an extensive survey of maritime trade in the Indian Ocean and the unique contribution of Armenian communities in Dhaka's commercial and social life of the eighteenth century.
