~~Prince Harry doesn't come into my book till page 175. "By then, Meghan had received a standing ovation led by the secretary general of the United Nations." Jon Rogers Today, 14:48~~

Inspired by the hit Broadway musical, Annie We all know the story of Little Orphan Annie, who is down on her luck during the Depression until she finds her beloved dog Sandy and her benevolent benefactor Daddy Warbucks. Now the story is told for a younger audience through the eyes of Sandy, providing another perspective and a deeper look into the life of the famous canine character. After being abandoned by his own family, Sandy roams the streets, living his own hard-knock life, until he finds one irrepressible little redhead who will change his life forever. Includes black-and-white illustrations.

"Sandy's Adventure" is a picture book aimed at K-4 students. Woven within the story are simple scientific and biological concepts, including vocabulary, that are introduced with little additional effort beyond reading the story. The book has 38 beautifully illustrated pages and includes a simple illustrated Glossary and two reproducible learning activities appropriate for learning at home or classroom use. There is ample topic material for older readers to explore beyond the book.Sandy the Starfish is lost. This is a new and challenging experience for her. She doesn't know how she will get back to her family in the ocean. During the course of the afternoon, Sandy tries many ways to travel back to the ocean, some with humorous results. She survives encounters with some known and some unfamiliar dangers before she gets home. How will she get home?

Featuring a beachful of bare-bellied hippos—including one tiny baby who can only say "Bee Bo"—the Belly Button Book is a quirky addition to the phenomenally successful Boynton on Board series. Every page captivates with Sandra Boynton's inimitable illustrations and joyful rhyming text: Soon after dark, upon the beach, we sing a hippo song, and if you're feeling in the mood, we hope you'll sing along: "Belly Belly Button, you're oh so fine. Ooo, Belly Button, I'm so happy you're mine." Shiny and sturdy, and featuring a great (navel-shaped, naturally) die-cut cover, the Belly Button Book provides enduring, giggly, read-aloud fun. Oversized lap edition also available—perfect for more reading aloud!

A great big hug in book form, Snuggle Puppy is a year-round valentine from parent to child. It is bright, chunky, a pleasure to hold, and has a die-cut cover that reveals a glimpse of the joy inside before it's even opened. Best of all, it's packed, of course, with pure Boynton: her inimitable language, her inimitable illustrations, her inimitable sense of fun. 000, Snuggle Puppy of mine! Everything about you is especially fine. I love what you are. I love what you do. Fuzzy little Snuggle Puppy, I love you. Featuring a sweet and cuddly doggie cast and rhyming verse, Snuggle Puppy is the perfect bedtime book to read last, because of an ending that kids will want again and again: I started with 000. . . . Now we'll end like this: [BIG SMOOCH!] Oversized lap edition also available—perfect for reading aloud!

Hannah doesn't like being the littlest Levine. She's too short to hang fruit from the sukkah and too young to light the Hanukkah candles by herself. But when Passover comes, the littlest Levine gets a chance to shine in a big way.

All children bring forth the blessings of angels. They light our lives and colour our experiences. This books intention is to help children recognise the blessing to the world that they are. So they may discover the peace that dwells within and walk through life knowing the grace, beauty and gift of their presence. Empowered children prosper our planet with love, laughter, kindness and inspiration. Kindling awareness of the inner light shining bright within all beings. Beautiful smiles from happy kids, light up the lives of all who share in their magic. Bedtime stories for kids and kids picture books are a gentle way to share nurturing wisdom. Radiating inner peace, children become strong and vibrant sharing their joy, creativity and compassionate natures with the world. This bedtime story is created with the intention that your child may adventure within to find happiness and discover the confidence and courage to shine bright Books for kids can be the catalyst for your child to develop healthy self-esteem and self-confidence. Everything we read and watch has the power to transform our lives so let's embrace children's books that encourage compassion, self-love and kindness. Children's books encourage healthy development of early readers and high self-esteem so that your child may live a joyous life filled with happiness and bliss. This is a wonderful kids picture book for beginning and early readers. Filled with bright, enchanting illustrations for younger readers This kids book is especially great for conscious kids, and parents who wish to encourage their children to embrace themselves and shine bright as can be Positive bedtime story for kids Excellent for beginning and early readers Short Moral stories for kids Read aloud Loving bedtime story Inspirational stories for kids Spiritual adventure This is a great inspirational bedtime story to share with friends and family. Describes how people have given God different names according to their experience of Him, including "Source of Life," "Maker of Peace," "Mother," "Father," and "Friend," and thought that their own name for Him was the only true one, and suggests that allthese names are part of the truth

In this striking picture book biography, an old-timer tells us what made Sandy Koufax such an amazing baseball player. We learn that the beginning of his career with the Brooklyn Dodgers was rocky, that he was shy with his teammates, and experienced discrimination as one of the only Jews in the game. We hear that he actually quit, only to return the next season--different--firing one rocket after another over the plate. We watch him refuse to play in the 1965 World Series because it is a Jewish high holy day. And we see him in pain because of an overused left arm, eventually retiring at the peak of his career. Finally, we are told that people are still "scratchin' their heads over Sandy," who remains a modest hero and a mystery to this day. Accompanied by sidebars filled with statistics, this Parents Magazine Best Book of the Year and Booklist Top of the List is sure to delight budding baseball fans.

Explains why your body is an amazingly complex machine and what foods you should eat to fuel it. If you've felt sleepy during school or wondered what a superfood is, this explains which foods and food groups boost your energy and keep you healthy. Take the quizzes, read the facts and answer the questions to find out which foods keep your brain in top gear. You can understand why healthy eating is so important and the positive impact it has on every aspect of your life. Packed with information on nutrition and healthy eating including vitamins, minerals and antioxidants, you'll be able to make good choices when you eat.
