A budgie, as the common parakeet is typically called, is the subject of this Complete Care Made Easy pet guide that presents new and experienced bird keepers with insight into every aspect of selecting, caring for, and maintaining well-behaved happy pet birds. Angela Davids has written an ideal introductory pet guide, with chapters on the characteristics of the irresistible budgie, the history of budgies in the wild, selection of a healthy, typical pet bird, housing and care, feeding, training, and health care. The selection chapter offers potential owners excellent advice about selection of the color and sex, suitability of the delicate budgie with families, children, and other pets. In the chapter on housing and care, the author discusses selection of the right cage, placement of the cage, and the purchase of toys, cups, perches, and more. A bird's diet is critical to its ongoing health, and the chapter devoted to feeding the budgie gives the reader all the info he or she needs about choosing the best diet, different types of seeds, greens, fruits, veggies, grit, as well as human foods to

avoid. The chapter "Training Time" addresses finger training, towel training, perch training, and offers an easy-to-follow primer on teaching a budgie to talk. The final two chapters of the book will be useful for bird fanciers interested in learning more about the breeding and the basic color variations and genetics of this perfect beginner's bird. The book concludes with an appendix of bird societies, a glossary of terms, and a complete index.

Explains how to select, feed, care for, and breed parakeets.

Budgie Care: The Complete Guide to Caring for and Keeping Budgies as Pets Here at Pet Care Professionals we are passionate about pet care. As a brand we have a strong idea of what makes up a good pet care book. We consult with multiple experts in each animals field to allow us to create a book filled with cumulative opinions and best practices. The experts we consult range from veterinarians to every day pet keepers who have had years of experience caring for the specific animal each book is on. Our aim, and mission, is to produce the best possible pet care books that are a great value for money. The budgerigar (scientifically known as the 'Melopittacus undulatus') is a species of parrot that is characterised by its small body, long tail and seed based diet. Budgerigars are also commonly known as budgies, parakeets and shell parakeets. The species originates throughout the drier regions of Australia but has become a very popular house hold pet in recent years. The budgerigar has survived the harsh, dry and hot conditions of Australia for the last 5 million years! In

the wild the budgies colouring is primarily green and yellow with black scalloped markings on their nape, wings and back. However due to their popularity as pets the budgie has been selectively bred to have colourings of whites, blues, greys and oranges. Budgies are popular pets due to their interesting colour morphs, their ability to mimic human voices, their wide availability, their small size and their relatively low price. Everything you need to know about caring for parakeets as pets

I have owned parakeets (also called budgies or keets) since I was a tiny toddler. I have photos of my pregnant-with-me-mom's parakeet (named Gandalf), so she owned parakeets even before I was born. Sometimes I've had four parakeets, sometimes just one, but in one way or another parakeets manage to wiggle their fluffy ways into my heart. This book is a compilation of my years of experience, not only with my own parakeets, but also with helping the tens of thousands of parakeet-loving visitors who come to my parakeet forum. Between the group of us we've probably experienced everything there is that could happen to a keet, good or bad. There is information on choosing a parakeet, feeding a parakeet, and full step by step

instructions on hand training your parakeet. You can learn about parakeet activities, parakeet toys, and parakeet socialization. While the web is of course an awesome resource, often there are times that it's simply easier to read an organized, sequential set of instructions on an e-reader. Also, it seems that web access goes down during emergency situations! Having an ebook version of those "what to do" instructions available on your e-reader has saved many a keet owner. Think of it as part of your emergency care kit for your beloved pet. If you have any questions, always feel free to email me! I'm happy to lend a hand with keets. Enjoy!

Create a "home tweet home" for this colorful, lively bird This plain-English guide helps readers find the right parakeet and offers expert advice on feathering his nest, from setting up the cage and selecting foods to keeping messes at bay. Readers will discover how to groom a parakeet, recognize the symptoms of illness, and keep a parakeet safe from other pets. They will also see how to teach a parakeet to talk, understand parakeet behavior, and find an avian veterinarian.

Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household and financial status are suited to provide your pet with

Budgies are popular pets due to their interesting colour morphs, their ability to mimic human voices, their wide availability, their small size and their relatively low price.

Author Yun Ji has been raising parakeets for several years, learning and observing these magnificent creatures from birth. She decided to write this book to provide Parakeet lovers an opportunity to look into the life of a parakeet as he becomes accustomed to his environment, socializes, bonds and eventually falls in love. "I am a Parakeet" will give you a fantastic way to learn new facts about these amazing birds by seeing the world through their eyes. The book delivers essential information to new parakeet owners through a heartwarming tale about a young parakeet named
