Northern California's beautiful scenery is  
surpassed only by its exciting trout,  
steelhead, and salmon fishing. If you are  
interested in fishing Northern California's  
wilderness destinations and remote  
backcountry -- both coastal and inland --  
then Fly Fishing Northern California Waters  
is for you. Lily Tso Wong has explored more  
than a thousand premier and lesser-known  
lakes and streams in the area. More than just  
a how-to and where-to fishing guide, Fly  
Fishing Northern California Waters includes:  
geological, geographical, and topographical  
features; historical information; map  
resources; access points; detailed maps; fish  
species and habitat; fishing strategies;  
reading water; aquatic insects; fish  
distribution; and much more. You will find  
this book is indispensable.
