The updated edition to one of the most popular books on technical analysis Japanese candlestick charting and analysis is one of the most profitable yet underutilized ways to trade the market. Signals created by this unique method of technical analysis—represented in the form of graphic "candlestick" formations—identify the immediate direction and effects of investor sentiment through price movements, allowing traders to profit by spotting trend reversals before other investors. This updated version of Profitable Candlestick Trading: Pinpointing Market Opportunities to Maximize Profits makes learning the method fast and easy by introducing specific patterns, as well as the psychology behind them. The book Details the most valuable aspect of technical analysis—reversal patterns—as well as reversal signals, including the Doji, the Hammer, the Hanging Man, Engulfing Patterns, and Dark Cloud Cover Explains continuation patterns and explores how they can help with the decision-making process during various trading periods Reveals how to find trading situations that have the maximum potential for profitability, the highest probability of success, and the least amount of risk Learn how to quickly search, view, and profit with candlestick formations with Profitable Candlestick Trading.

Most traders on the ASX are familiar with line and bar charts, but there has never before been a book written in Australia on the ancient Japanese art of candlestick charting. Louise Bedford, author of the highly successful The Secret of Writing Options, writes in a clear, concise way and uses plenty of examples to help readers understand candlesticks and use them to profitably trade the markets.

Trading Strategies includes various types of candlesticks patterns for eg., single candlestick patterns, double candlestick patterns and triple candlestick patterns. In this book one can learn how to do safe trading with minimal loss if followed the techniques discussed in the book. This book includes money management, risk management and many more topics for safe trading. We provide 60 days money back guarantee if you buy from our website - www.fxstra70.com
