In this riveting, ambitious novel from James A. Michener, the renowned chronicler of epic history turns his extraordinary imagination to a world he knew better than anyone: the world of books. Then a tragedy strikes in his community, and he becomes obsessed with writing about it. Meanwhile, Yoder's editor fights to preserve her integrity—and her author—as her firm becomes the target of a corporate takeover; a local critic who teaches literature struggles with his ambitions and with

his feelings about Yoder's success; and a devoted reader holds the key to solving the mystery that haunts Yoder's hometown.
