Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

These manuals provide comprehensive repair and maintenance information on all makes and model years, as indicated for each manufacturer. For consumers who stick to one make of car, this series will provide multi-vehicle information. For retailers with limited shelf space, this series provides model specific coverage in only five volumes

This book is designed to present, in one convenient source, comments published in periodicals about 325 automobile models manufactured since 1987 on a model-by-model basis. These periodicals range from general interest to specialized sources as well as repair manuals and other publications related to the individual models.
