Creationtide resources | The Church of England

Sam Hamilton-Poore, editor. *Earth Gospel: A Guide to Prayer for God's Creation* (Upper Room, 2008). This is a wonderful collection of prayers, hymns, scripture, quotations from theologians, and blessings organized for morning, midday, and evening devotion over a period of four weeks.

Creation and Blessing is an exceptionally helpful guide for pastors and teachers. Its literary, exegetical, and theological analyses will enrich any exposition of Genesis. The author's purpose is to "help the reader appreciate the major literary and theological motifs that form the theological ideas in the narratives, and to demonstrate how these theological ideas can be developed into clear and accurate expository ideas." To accomplish this goal, he divides Genesis into more than sixty units, discussing each unit's theological ideas, describing its structure, and synthesizing its message, as well as providing an exegetical outline, an expository outline, and a bibliography.

The book of Genesis contains some of the most beautiful and well-known stories in the Bible: the garden, the flood, the tower of Babel, and the lives of the patriarchs. But these are

more than just good stories. They lay the groundwork for God's relationship with humanity and for his plan for our salvation, making Genesis foundational to understanding everything else that happens in the Bible. Genesis reveals much about human nature and the nature of God. From the actions of the first man and woman, we see where our rebellious, sinful nature originates. And through the whole book we see the hand of a sovereign God who is loving and merciful, but also just and holy. Time and again in Genesis, God showers his grace upon undeserving humanity, giving us our first tastes of God's enduring faithfulness that shines throughout the entire Bible. R. Kent Hughes, respected pastor and author of many other commentaries in the Preaching the Word series, takes readers back to the beginning of the Bible and moves through Genesis with careful exegesis. He explores the superbly crafted structure of the book as well as the weighty themes it contains. For those who preach, teach, and study God's Word, this exceptionally detailed work will reveal much about the beginnings of God's great story. Part of the Preaching the Word series.

Of the world's three major religions, only Christianity holds to a doctrine of original sin. Ideas are powerful, and they shape who we are and who we become. The fact that many Christians believe there is something in human nature that is, and will always be, contrary to God, is not just a problem but a tragedy. So why do the doctrine's assumptions of human nature so infiltrate our pulpits, sermons, and theological bookshelves? How is it so misconstrued in times of grief, pastoral care, and personal shame? How did we fall so far from God's original blessing in the garden to this pervasive belief in humanity's innate inability to do good? In this book, Danielle Shroyer takes readers through an overview of the historical development of the doctrine, pointing out important

missteps and overcalculations, and providing alternative ways to approach often-used Scriptures. Throughout, she brings the primary claims of original sin to their untenable (and unbiblical) conclusions. In *Original Blessing*, she shows not only how we got this doctrine wrong, but how we can put sin back in its rightful place: in a broader context of redemption and the blessing of humanity's creation in the image of God.

In just fifteen minutes a day, you can master the 52 most important verses in the Bible in a year. While there are lots of one-year Bible reading plans, few help you understand the words that you're reading. What if we could introduce you to a Bible reading plan that would dramatically increase your mastery of the Bible in one year? Mark Moore coaches you through 52 of the Bible's most important verses. These are the "core" of the Bible. Each verse clears the path to master and manage dozens of other verses that run along the same principle path. At the end of this journey, you will move from curiosity about the Bible to competence in the Bible. It is the quickest onramp to understanding the whole of God's Word for your life.

In *My Grandfather's Blessings*, Rachel Naomi Remen, a cancer physician and master storyteller, uses her luminous stories to remind us of the power of our kindness and the joy of being alive. Dr. Remen's grandfather, an orthodox rabbi and scholar of the Kabbalah, saw life as a web of connection and knew that everyone belonged to him, and that he belonged to everyone. He taught her that blessing one another is what fills our emptiness, heals our loneliness, and connects us more deeply to life. Life has given us many more blessings than we have allowed ourselves to receive. *My Grandfather's Blessings* is about how we can recognize and receive our blessings and bless the life in others. Serving

others heals us. Through our service we will discover our own wholeness—and the way to restore hidden wholeness in the world.

"Secrets of Financial Blessing is recommended reading for every believer who desires a more fruitful life. Pastor Johan duToit explains biblical principles that will be a great help to pastors to use as exhortations for receiving the offering. By meditating on these weekly devotionals, God's thoughts on giving and receiving will become clear." -- Back cover

First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

Sixty-six books written by forty people over nearly 2,000 years, in two languages and several different genres. The Bible is clearly no ordinary book. How can you begin to read and understand it as a whole? This excellent overview gives you the big picture, providing both the encouragement and the tools you need to read the Bible with confidence and understanding.

At first glance, the Book of Leviticus seems like barren material for lively preaching. Most expositors merely skim the surface for messages on tithing or sabbath-keeping. Yet Leviticus is one of the most important books of the Old Testament; it not only describes the complete religious system of ancient Israel, it also lays the theological foundation for the Christian gospel. In *Holiness to the Lord*, Allen P. Ross enables preachers and teachers to mine the riches of Leviticus and deliver them to a contemporary audience. Following the same practical method he used in the acclaimed *Creation and Blessing*, Ross first carefully sites Leviticus within its context in the ancient world. Then he

traces the development of God's plan of salvation-how Leviticus' laws, rituals, symbols, and events prepared for the complete revelation in Jesus Christ. Finally, unlike traditional commentaries, Ross offers helpful ideas for correlating Leviticus to New Testament teachings (particularly Romans, Hebrews, and Peter) and for applying the material in relevant expository form. Holiness to the Lord is every expositor's indispensable guide for interpreting the Law for the church and for elucidating Leviticus in practical, biblical messages about worship, sanctification, and obedience.
