Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.

angels and demons from a man who can see them. This book will teach you how to battle your spiritual struggles from the winning side so that you can be victorious both in your life and in the issues happening in today's world. Many Christians limp through their lives feeling beat up by the enemy, their circumstances, and internal strife. They look at the pattern of world events with a sense of hopelessness. Too often they simply accept these as the natural trials and challenges of life. However, other Christians acknowledge that there is a war happening, a battle between angels and demons. They want to know: What are the rules of engagement for this battle? What weapons do we have? What kind of enemy are we facing? Is this battle always happening, or are there moments of rest and peace? Am I really meant to fight in a battle where I can't see my enemies or my allies? Blake Healy has seen angels and demons since he was a small child. In this book readers will discover what Healy has learned about the nature of spiritual warfare after over thirty years of seeing in the spirit. They will learn the truth about how they can be victorious in both their personal battles and the battles that are happening in the world. And they will see how they can truly feel as if they are fighting their spiritual battles from the winning side. This book will Teach readers how to posture their hearts and minds for personal spiritual battles as well as global spiritual warfare Show readers how to live from the victory Jesus won on the cross Give readers insight into the nature of spiritual warfare—how we fight, what winning looks like, our authority as Christians, and how much power the enemy has Indestructible will show readers how to have complete victory in their daily spiritual battles and join the front lines as heaven invades earth. FEATURES AND BENEFITS: Blake's remarkable stories of seeing in the spirit Thought exercises to help readers identify the difference between thinking in an earthly context and thinking in a heavenly context Exercises designed to help awaken dreams that may have been shut down or have gone unrecognized and to show readers how to pursue those dreams with the Holy Spirit as their guide Activations
