To follow Christ means that, like him, we ' re also called to descend into greatness; to lay aside our rights and serve others. Yet this downward direction is contrary to everything around us. Our flesh, our training in society and the gravitational pull of the world all tug us incessantly upward to dominate and control others.

People rise against the odds, they ascend to fame and power. So, the words of John the Baptist startle us. John told his disciples “ Jesus must increase and I must decrease. ” Talk about an oxymoron — let ' s “ DESCEND into GREATNESS. ”

In a society where "upward mobility" is the highest goal, Bill Hybels asks a tough question: Do Christians place God's desires first-or their own? In Descending into Greatness, Hybels and writer Rob Wilkins take the example of Christ's downward journey as it was meant to be; the radical and essential answer for every Christian. In fourteen powerful chapters, the authors explore such topics as How Jesus managed power. The intentional decisions necessary to move down. The uplifting nature of true humility. Abundant life through dying to self. The ambush of joy. Moving down is never an easy matter that can be reduced to a formula. It involves a life committed to discipleship. Descending into Greatness introduces you to the touching stories of modern men and women committed to advancing the kingdom of God: from the pro football player, to the medical missionary, to a businessman wrestling with the priorities in the world of finance. Descending into Greatness asks tough questions and gives hopeful answers. Now, this powerful, urgent message also includes a discussion guide so that you can follow through, too. "Like Christ, we must descend-into self-abandonment, unconditional giving, sacrifice, and death to self. And, like Christ, we will then ascend-into fulfillment, blessing, joy, and purpose."

What is biblical leadership? This book explores the absolute essentials for godly biblical leadership.

Learning to put God's kingdom first by choosing to put self second is the secret to finding true satisfaction. This book examines how that is possible by looking at various real-world situations.

Being a Christian is a radical commitment for each of us. It requires us to be different from what culture tells us to be, to understand Christ's revolutionary ministry. This book will help people see that Jesus calls us to a revolutionary way of life—a life that's counter cultural to our “ me-centered ” culture. We are called to put Jesus first, others second, and ourselves last.

The book you hold resonates with this conviction: that leaders such as you have the potential to be the most influential forces on planet Earth. Yours is the staggering responsibility and the matchless privilege of rallying believers and mobilizing their spiritual gifts in order to help people who are far from God become fully devoted followers of Christ. Life transformation and the eternal destinies of real people depend on the redemptive message entrusted to the local church. Are you willing to do whatever it takes to lead your church effectively so God ' s message of hope can change the world? Then this book is for you. Courageous Leadership is Bill Hybels ' magnum opus, a book far too important to be written

before its time. Only now, after nearly thirty years leading his own church from a handful of people with a burning vision into a globe-spanning kingdom force—only after almost three decades of victories and setbacks, of praying hard and risking big—is Hybels ready at last to share the lessons he has learned, and continues to learn, about Christian leadership. Too much is at stake for you not to maximize your spiritual gift of leadership, insists Hybels. In this passionate, powerful book, he unpacks the tools, tasks, and challenges of your calling. You ' ll discover the power of vision and how to turn it into action. You ' ll gain frontline insights for developing a kingdom dream team, discovering your leadership style, developing other leaders, making decisions, walking with God, embracing change, staying your God-given course, and much, much more. Drawing on his own richly varied life experiences, Hybels fleshes out vital principles with riveting firsthand stories. This is far more than another book on leadership strategies and techniques. You ' ll find those topics in here, to be sure. But beyond them, you ' ll find the very essence of one of today ' s foremost Christian leaders—his fervent commitment to evangelism and discipleship and his zeal to inspire fellow church leaders even as he seeks to keep growing as a leader himself. If unchurched people matter to you . . . if you love seeing believers serve passionately with their spiritual gifts . . . if God ' s heartbeat for the church is your heartbeat as well . . . then this book is a must. *Courageous Leadership* will convince you to lead with all your might, all your skill, and all your faith. And it will give you the tools to do just that.

morning attendance of 15,000. Bill Hybels and his wife, Lynne, tell about Willow Creek ' s beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people, creating a church of believers who have had tremendous impact for Christ in their community. In the second half of *Rediscovering Church*, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world, to be the body of Christ in real and tangible ways. *Rediscovering Church* draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology, its vision and values. The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration, encouragement, and a means of uncovering the pattern for their own unique mission and ministry.

Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel, yet at the same time we face a shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key to the

future of the church is the equation "X (paid staff) + Y (volunteers) = Z (bearing much fruit for God ' s glory)." Churches cannot afford to continue hiring more and more staff with limited budgets. The key to resourcing the church is what Hybels calls "the Y factor." The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church ' s volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to "equip God ' s people for works of service" they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church staff should be helping people discover their spiritual gifts, passions and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community, celebration, and commendation.
