When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. WARNING: This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

Handbook of Canine and Feline Emergency Protocols, Second Edition offers practical step-by-step guidance to managing emergency cases in small animal practice. Climate change is now recognised as one of the greatest challenges facing the international community and when coupled with energy production and use - the most significant contributor to climate change - and the related security problems the double threat to international security and human development is of the highest order. This wide-ranging book brings together leading thinkers from academia, government and civil society to examine and address the global insecurity and development challenges arising from the twin thrust of climate change and the energy supply crunch.Part one considers energy. It analyses the challenges of meeting future energy demands and the ongoing and future security-related conflicts over energy. Coverage includes security and development concerns related to the oil and gas, nuclear, bio-fuels and hydropower sectors, ensuring energy access for all and addressing sustainable consumption and production in both developed and rapidly industrializing countries such as India, China, Brazil and South Africa. Part two analyses how climate change contributes to global insecurity and presents a consolidated overview of the potential threats and challenges it poses to international peace and development. Coverage includes future water scenarios including a focus on scarcity in the Middle East, food security, biodiversity loss, land degradation, the changing economics of climate change, adaptation and the special case of small island states.The final part lays out the potential avenues and mechanisms available to the international community to address and avert climate and energy instability via the multilateral framework under the United Nations. It also addresses mechanisms for resource and knowledge transfer from industrialized to developing countries to ensure a low-carbon energy transition by focusing on the rapid deployment of clean energy technologies and ways to tackle income and employment insecurity created by the transition away from traditional energy sources. This book offers the most comprehensive international assessment of the challenges and solutions for tackling the global insecurity arising from climate change and energy provision and use. It is essential reading for students, researchers and professionals across international relations, security, climate change and the energy sectors.

"Philip Gulley invites us into a bracing encounter with the rich truths of Quakerism-- a centuries-old spiritual tradition that provides not only a foundation of faith but also vision for making the world more just, loving, and peaceable by or presence. In Living the Quaker Way, Gulley shows how Quaker values provide real solutions to many of our most pressing contemporary challenges. We not only come to a deeper appreciation of simplicity, peace, integrity, community, and equality, we see how embracing these virtues will radically transform us and our world."--P.[4] of cover.

"In the early 80s, after a decade of drug abuse and borderline mental illness, a man runs away to the suburbs, to live what he hopes will be a normal life. With the aid of his last remaining friends he finds a regular job, goes to AA meetings and resolves to disappear into the banal to escape his addictive personality and find a Surbiton of the mind but he can t seem to outrun his own demons and, before long, he is back where he started. The suburbs, though, are not quite as normal as he had imagined and, as he relapses into chaos, he encounters a homicidal office worker who is obsessed with Alfred Hitchcock and Petula Clark, an old lover, with whom he reprises a troubled, masochistic relationship and, finally, the seemingly flesh-and-blood embodiments of all his private phantoms as he drifts further and further into unreality. The sequel to his haunting, celebrated account of a troubled childhood, A Lie About My Father, John Burnside s startling new memoir follows his hopeless quest for pea"

For fans of J. R. Ward, Nalini Singh and Charlaïne Harris, the third novel in The Lost Angels from New York Times bestselling author Heather Killough-Walden. Are you ready to meet the angels of your dreams? As the former Archangel of Death, Azrael has always stood apart from his brothers. Cursed to rule from the darkness, he is not only one of the four favored archangels, but the very first vampire, and king among his

kind. Sophie Bryce is a woman scarred by the dark secrets of her past. Though she is overwhelmingly attracted to the brooding archangel, she simply cannot believe that she is the one fated to be with such an extraordinary being. But Azrael has known differently from the moment he laid eyes on Sophie and he will stop at nothing to win her heart - even if he has to fight an army of unimaginable evils to do so... The Lost Angels will compell you into a world of desire, danger and devastation. Read the whole series: Always Angel, Avenger's Angel, Messenger's Angel, Death's Angel, Warrior's Angel and Samael.

A Westmoreland man always gets what he wants! Follow the Denver Westmoreland clan in these two classic, fan-favorite novels from New York Times bestselling author Brenda Jackson — collected here in one volume! Westmoreland ' s Way There was a secret to real-estate tycoon Dillon Westmoreland ' s heritage—and business owner Pamela Novak had the key. Though the raven-haired beauty was ensnared by a shifty fiancé, Dillon—eldest of the Denver Westmoreland clan—couldn ' t resist a mind-blowing night in her arms. And after that incredible passion... Well, once a Westmoreland claimed the woman he wanted, he wouldn ' t let anything tear them apart! Originally published in 2009 Hot Westmoreland Nights He knew better than to lust after the hired help. But Ramsey Westmoreland ' s new cook was just so delectable...it was enough to make the Denver rancher rethink his rules. When temptation got the best of him, he discovered Chloe Burton was just as hot in the bedroom as she was in the kitchen. Though their affair was growing steamier by the minute, Ramsey couldn ' t help but question Chloe ' s true motives. And when he discovered her ultimate betrayal, he was set to satisfy himself with cold showers. Until he realized his fatal mistake: never underestimate the power of the human heart, especially a Westmoreland ' s. Originally published in 2010
