Your Best Friend Adjust ...

Crate training is the process of  
introducing a puppy or dog to an  
indoor dog kennel or dog crate, with a  
view to it becoming a safe, familiar  
space for them. Typically, a dog crate  
is an enclosed space made of a thick  
wire or fabric.

Battersea

Always praise your puppy for using the crate, and keep the door open when you are not actively training him to use the crate so that he can start to choose the crate for himself when he wants to. Once your puppy has started to form a positive association with being crated and will go in voluntarily, close the door gently with your puppy inside and feed him a treat or two while he is in there.

Process | Hill's Pet

To crate train an older dog, start by placing your crate in a spot where you spend a lot of time, like your living room or office. Next, place a blanket and toys inside the crate to encourage your dog to go inside it. Then, feed your dog its meals inside the crate with the door open so that it learns to associate the crate with something positive.

## How to Crate Train an Older Dog: 11 Steps (with Pictures)

Step 3: Practice with longer crating periods Call them over to the crate and give them a treat. Give them a command to enter, such as "crate." Encourage them by pointing to the inside of the crate with a treat in... After your dog enters the crate, praise them, give them the treat and close

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America ' s most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar ' s Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying

# Read Online Dog Crate Training 8 Tips To Help

relationships with your canine companions. Cesar ' s formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn:

- What your dog really needs may not be what you ' re giving him
- Why a dog ' s natural pack instincts are the key to your happy relationship
- How to relate to your dog on a canine level
- There are no “ problem breeds, ” just problem owners
- How to choose a dog who ' s right for you and your family
- The difference between discipline

maintain a safe and comfortable environment for both you and your dog while training it, apart from that it is also good to learning how to understand your dog. When one decides to have a dog as a pet in his home, many might say that it becomes a part of the domestic domain, thus making it your responsibility to do all you can to train it well and also ensure its safety. It is very important for you to put your efforts into ensuring you have met all the needs of your dog and this basically means keeping it healthy, safe and ensuring that it is well trained. Dogs have with time evolved to be man ' s best friend but many still find it hard to understand them, an aspect that is very important if one wants to ensure that they are well provided for and protected to the best possible manner.
