Winner of the National Jewish Book Award of 1979, this classic novel of love and war is now available in ebook format for the first time! Violence shattered her golden world, and Leah's journey began... It swept her from the burning villages of old Russia to the tenements of New York, from the glittering showrooms of Paris to the settlements of war-torn Israel. It brought her marriage to a man who yearned for her sweet, denied love - and passion for a man who yearned only for danger. It gave her a son born of shame, and a daughter born to destiny. It tested her love in the shadow of the Depression and the hell of the Nazi fury... And then Leah's journey brought her home.

A longtime Nantucket resident is trying to make the best of a lonely summer. Her spirited granddaughter is learning what she wants out of life. Unforgettable surprises await them both in this magical, multigenerational novel from New York Times bestselling author Nancy Thayer. "Readers come to Nancy Thayer novels for the idyllic Nantucket beaches and lifestyle, but they stay for the characters."—"New York Times bestselling author Mary Alice Monroe Eleanor Sunderland loves living on Nantucket, in a gorgeous cliffside home that has been in her family for decades. Yet this year she can't help but feel a bit isolated, even as the island begins to come alive with summer tourists and travelers. Her best friend has skipped town on a last-minute cruise, leaving Eleanor feeling lonely and nostalgic about her family's weekend trips to the island, made less frequently in the years since her husband's passing. Now, her money-driven children contact her mostly to complain and to beg her to sell her beloved home for a sleep payout. Hoping to kick the season off on a good note, Eleanor decides her seventieth birthday may be the perfect occasion for a much-needed reunion. Fresh off the heels of her college graduation, Eleanor's dear granddaughter, Ari, has just ended an engagement that felt less like true love and more like a chore. She longs for a change of scenery and to venture far from her parents' snobbish expectations. Taking advantage of her newfound freedom, she heads to Nantucket to clear her head before graduate school, moving in with her grandmother and taking a job at the local beach camp. As she watches Eleanor begin to form a bond with an old acquaintance, Ari herself becomes completely smitten with a friend's charming older brother. But just as grandmother and granddaughter fall into a caretree routine, a few shocking discoveries throw them off course, and their ideas of the future seem suddenly uncertain. Eleanor and Ari make exciting connections, old and new, over the course of an unpredictable, life-changing few months, and learn to lean on each other through every new challenge they face in life and love, in this tale filled with Nancy Thayer's signature Nantucket magic.

It's 1937, the eve of World War II. At twenty-six years old, Rezsí Lehrer leaves Munkacs, a small charming city located deep within a remote corner of the Carpathian mountains and travels alone to the United States. War breaks out and Eastern European borders are sealed. Rezsí's family is trapped in Czechoslovakia and the packages she sends home are returned unopened. When the war ends, Rezsí discovers her parents, two brothers and scores of relatives perished in the Holocaust. Gypsy Music Street is the story of one woman's endless sorrow and guilt she suffers at the loss of her family, the family she left behind "to die alone." Yet she still yearns to return to her town, "the little Paris of the East," to see it just one more time. But after the war, countries borders are redrawn and Mukacevo is no longer located in Czechoslovakia. It becomes completely closed off within the iron grip of the Soviet Union and the political climate is one of Cold War. Mukacevo is off limits for travel. As the years pass, Rezsí reminisces, sharing her longing and grief about the past with her daughter Bobbie. And when she dies an old woman, her dream unfulfilled, Bobbie is driven by her own loss and grief to make this journey home for her mother, and for herself. Adventures in Budapest, Ukraine and Israel make Gypsy Music Street an enthralling memoir of love and loss. Yet, it is also a story of the overwhelming joy a daughter experiences when she travels back in time and discovers her own torn roots.

The asylum system is overburdened and under severe pressure. The backlog of asylum cases that should have been cleared by 2011 has reached 32,600, with some people waiting up to 16 years for a decision. Thousands appear to be living in a sub-standard level of housing as part of the COMPASS contract supplied by the private contractors G4S, Serco and Clearel. These companies must be held accountable. The quality of decision making is also of great concern as 30% of appeals against initial decisions were allowed in 2012. The impact of decisions are grave - if asylum is not granted when it should be then the UK is failing to protect a vulnerable person. If asylum is granted when it is not deserved then the UK may well end up harbouring war criminals and terrorists. Those who apply for asylum should be checked against national and international law enforcement agency and security databases to ensure that we are not harbouring those who intend us harm. The Home Secretary has to give assurance that any anomalies in the process, which have allowed decisions such as this to take place, are addressed immediately. The are also concerns about the level of support available to those who seek asylum in the UK. The Immigration and Asylum Act 1999 section 4, which provides a reduced support system for asylum seekers who had had their claim refused but were unable to return to their country of origin through reasons that were no fault of theirs, is not a solution.
