Discover the joys of breadmaking with Alison & Simon Holst's Bread Book. Use it to make healthy & delicious breads at home. All recipes have easy-to-follow instructions for making bread by hand, as well as with a bread machine. Over 70 000 copies sold!

For Every Electric Bread Machine--Foolproof Recipes For Wholesome, Naturally Delicious, Healthful Breads! Until now, bread machine cookbooks have been full of recipes that used denatured flours, saturated fats, refined sugar, and artificial flavors. Now, at last, television's famous Breadman shows how you can use his ingeniously simple recipes to turn your bread machine into the source of life-giving, whole-grain breads that are sweetened without sugar, have almost no saturated fats, are low in calories--are 100 percent delicious! Here are amazing simple bread machine recipes for: Buckwheat Oat Bread Honey, Granola, and Yogurt Bread Sourdough Wheat Bread Apricot Nut Bread Jalapeño Cornbread Whole-Wheat Pizza Dough Blueberry Lemon Bread And much, much more! You can lose weight, help lower your cholesterol, benefit from health-giving vitamins and minerals, and add essential fiber to your diet--just by eating the Breadman's scrumptious breakfast breads, hearty sandwich loaves (topped with his special low-calorie spreads!), and phenomenal holiday and gift breads. And each recipe is given separately for large and small loaves. No matter what size machine you have, your bread will be perfect.

Archie and his vegetable friends have a problem to solve--to help a squirrel family caring for their sick child. The veggies write and sing rhyming songs, compose music; create dances, and practice juggling and other entertaining acts to put on a show that's fun for all. These colorfully illustrated chapter books are donated to children's hospitals.

A collection of Bible Stories written for Children. Perfect for early readers, or to be read aloud by parents/carers. These stories have been written in English and translated into Bemba, both languages are contained within the book. Every time you purchase this book another copy will be given to an orphan in Zambia. All proceeds from the sale of this book will be donated to The Jubilee Centre to support their work with orphans in Ndola, Zambia.

This is a story of Nigeria, told from the inside. After a successful career in the private sector, Nasir El-Rufai rose to the top ranks of Nigeria's political hierarchy, serving first as the privatization czar at the Bureau for Public Enterprises and then as Minister of the Federal Capital Territory of Abuja under former President Olesgun Obasanjo. In this tell-all memoir, El-Rufai reflects on a life in public service to Nigeria, the enormous challenges faced by the country, and what can be done while calling on a new generation of leaders to take the country back from the brink of destruction. The shocking revelations disclosed by El-Rufai about the formation of the current leadership and the actions of prominent statesmen make this memoir required reading for anyone seeking to understand the dynamics of power politics in Africa's most populous nation.

In-depth Details on Piping Systems Filled with examples drawn from years of design and field experience, this practical guide offers comprehensive information on piping installation, repair, and rehabilitation. anatomy Field work and start-up What goes wrong Special services Infrastructure Strategies for remote locations

Organization theory is presently dominated by theories of strategic choice and politics. Managers are seen as exercising a wide choice and maximizing their personal self-interest through complex power struggles. This stimulating volume challenges these views, arguing instead that managerial decisions are determined by the situation and serve the interests of the whole organization. Showing that organizations follow laws which generalize across organizations of many different kinds in many different national cultures, the book rejects the model of organizational configurations or types. The author offers a critical assessment of leading organization theorists such as Henry Mintzberg, John Child, Michael Hannan and Danny Miller - and also of the satirist Northcote Parkinson.

Retta Lee Jones is blessed with a beautiful voice and has big dreams of leaving her tiny Tennessee hometown. With a beaten down car, a pocketful of hard-earned waitressing money, and stars in her eyes, Retta sets out to make it big in Nashville. But the road to success isn't a smooth one in a town filled with dreamers, and Retta begins to have doubts: can she make her mark while staying true to herself? From the breakout author of *Artichoke's Heart*, this bighearted novel is a must-read for anyone who has ever chased a dream (or hummed along with Taylor Swift).
