Like a target, Dr. Raju's GRE word list gets ingrained in your mind! This proven methodology is based on more than a decade's practical research on vocabulary acquisition, retention, and usage. Many students have no idea of the advanced university level vocabulary that appears on the GRE tests. If you are one of them, you found the right book. GRE Wordlist: Vocabulary with Memory Triggers will teach you the words you just need to know, sharply and efficiently. Absorb the words-not just acquaint with them, which is what most vocabulary books do. Try memory triggers-guaranteed to fix each word and its meaning permanently in your mind-and be a GRE word wizard! How to use this book-each word consists of four elements: 1. The Word: The word you wish to learn, followed by phonetic pronunciation and definition. Example: aesthetic (as THET ik)-concerned with beauty; artistic 2. The Memory Trigger: The memory trigger is a simple word that rhymes or may signify the main word. Example: Athletic 3. Trigger Sentence: The link connects the main word and the memory trick in a sentence. Example: athletic body appears aesthetic 4. Sample Sentence: Kumar carved an aesthetically pleasing wood sculpture.

New 2018 Edition Your search for the best GRE vocab prep book is finally over. When you buy GRE Word List with Free CD #1 Download, you get all the 3861 words, meanings, and for most words, memorable sentence fragments. Plus, you'll also download the GRE Vocab CD #1 free of total 19 CDs. If you would like all 19 CDs as download, get this book on Amazon: <https://www.amazon.com/dp/1986551083/> Best for Who If you are an American student who is not strong in vocabulary. If you are a foreigner and English is not your first language. Why is vocabulary so very important on the GRE test? It is so important because for most people it is more difficult to memorize vocabulary than to improve math skills. So if you can memorize the high-frequency GRE words (which others find difficult) it can help you get high GRE score. Content The words are given in bold (example, the words belabor and buttress below). The meaning is given after the equal sign (=) following a word. The words are not necessarily in alphabetical order. We have used the US spellings. The British spelling of a word, when different from the US spelling, is given in bracket after BRITISH as shown for the word belabor below. USE gives a sentence fragment carefully chosen for memory. When no sentence fragment is given, a * is shown as in the word buttress below. belabor (BRITISH = belabour) = to assail verbally, to insist repeatedly or harp on USE = belabor a point buttress = support USE = * #1 Biggest Time-Wasting, Failure-Causing Advice Given by Well Meaning Teachers, Friends, and Even Parents The mistaken advice is this: Learn 10 new words daily and you'll know 3650 words in one year. The advice simply does not work because here is the fact: while most people are capable of learning 10 new words a day, but everybody forgets within a week and many forget within 24 hours. Other versions of the same advice include these: use 10 flashcards day, use a dictionary, read English novels, etc. Important: Please note that it is not your fault because it is the nature of the human mind. 2 SPECIAL FREE GIFTS Included At the end of this book are included: (1) The complete content of the book "Franklin 1853 Most Difficult GRE Words" that was sold separately on Amazon for \$2.99. (2) Download GRE Vocab CD #1 (\$9.99 value) of total 19 CDs FREE Kindle eBook: When you buy this book, you get FREE its Kindle version (digital / eBook) under Amazon's Matchbox scheme. Why is it free for you? Because we really want you to fully benefit from this book and get a higher score in GRE. Get it now for your high score in GRE Verbal. Or, download all 19 CDs with the Amazon book: Franklin GRE Audio MP3 Vocabulary Builder: Download 19 CDs with 3861 GRE Words For High GRE Verbal Score Here is the link to order it on Amazon: <https://www.amazon.com/dp/1986551083/> Makes a Great Gift for Students Many parents and grandparents give it as a gift.

a) 1535 essential words for complete preparation b) Easy pronunciation guide c) Synonyms, Antonyms and Parts of speech d) Sample sentences e) The definitive guide to essential vocabulary for GRE GRE Master Wordlist: 1535 Words for Verbal Mastery is the one and only resource that gives you great results in a small amount of time. Handpicked by GRE experts having years of experience, these words reflect the core of the GRE exam and promise perfect score to aspirants who master them. Here's the learning offered: a) The top 1535 words that feature in verbal reasoning section of the GRE b) List of synonyms and antonyms you are going to need in the exam c) The right context for using the words through sample sentences d) The right way to pronounce the words, thanks to the easy and friendly pronunciation system given e) Understanding where the words fit in as parts of speech. This increases your word-awareness and builds verbal skills Verbal reasoning has become more challenging in the new format of the GRE. As a result, students aiming for a high score need to master all the essential words they are likely to come across. With New GRE Master Wordlist, you have everything you need to build a comprehensive vocabulary and ace the verbal reasoning section.

An extensive working vocabulary is a prerequisite for test-taking success on the Graduate Record Exam. This book presents 800 graduate-level words with definitions that frequently appear on the exam. Words are used in different contexts to familiarize test takers with their many variations. The book's additional features include a pre-test that helps to diagnose weaknesses, a lengthy word list with extensive practice exercises, and a chapter that discusses and analyzes essential word roots. The book concludes with a post-test to assess progress. Answers are provided for all exercises and for all questions in the pre- and post-test.

The verbal reasoning section presents the most difficulty for GRE aspirants. Limitless as the English lexicon is, how do you know where to begin and how much to cover? Thankfully, with GRE Word List: 491 Essential Words there's now an easy answer. These 491 words have been selected by GRE experts after extensive analysis of the new verbal section, and form the perfect foundation for acing the exam. Unlike other vocabulary books, the methodology adopted is not that of learning by rote; emphasis is given on understanding the context and widening word-awareness. Here's what this book has to offer: The top 491 words for the GRE, along with detailed, clear meanings ! Synonyms and antonyms to widen your knowledge as you learn new words ! Friendly pronunciation system to make sure you speak the words right, every time ! Sample sentences to learn the right context for using the words ! Parts of speech to complete your understanding of how to work with the words GRE Word List: 491 Essential Words is the one and only book to turbocharge your GRE preparation. Get started now! PREFACE In the new format adopted by the GRE, verbal reasoning skills are given greater importance than ever. Students will face new types of questions in reading comprehension, sentence equivalence and text completion, and the average difficulty-level has gone up. The greater focus now is to test how well the student understands the context and is able to infer the right conclusions. This means merely learning vocabulary words by rote is not a good idea. Students looking to crack the verbal reasoning section need to develop a broader understanding of the vocabulary and relevant context. This book was developed precisely with that purpose in mind. It presents 491 words for the New GRE that are most likely to appear in the test in different ways. The emphasis is on complete understanding rather than just word-meanings. Synonyms, antonyms and parts of speech are included to expand your thinking horizons. A simplified pronunciation system will help you get comfortable with how the words sound, and will be useful even long after you've cracked the GRE. Another great feature is the use of sample sentences that demonstrate the correct context for using the words. All this helps students improve cognitive and inferential thinking skills. We suggest you have fun with these words. Don't just read them from the book, but make use of them in your daily conversations. Before long you'll start noticing them everywhere around you ! in books, magazines, newspapers and movies. Use of flash cards is highly recommended to make these words permanent in your memory and breeze through the New GRE. Here's to your success!

Manhattan Prep's 4th Edition GRE Strategy Guides have been redesigned with the student in mind. 2015 version published on 12/29/14. Need a good way to remember that the word "prodigal" means "wasteful"? Just think otrpada gal - a girl who spends all of her money on designer clothes. Brian McElroy (Harvard, '02) and Vince Kotchian (Boston College, '97), two of San Diego's most sought after test-prep tutors, provide a series of clever, unconventional, and funny memory devices aimed toward helping you to improve your vocabulary and remember words long term so that you don't ever forget their meanings. Brian and Vince, combined, have been tutoring the test for over 20 years. They have analyzed all available official GRE tests to select the words that appear in this book. The vocabulary words in this book are best suited for students at a 9th-grade level or above. The words in this edition are specifically targeted toward the GRE exam, but they are also helpful for students who are preparing for other standardized tests such as the SAT, ACT, ISEE, SSAT, GMAT, LSAT or MCAT, or anyone at any age who simply wants to improve his/her knowledge of English vocabulary. Disclaimer: a few of our mnemonics might not be appropriate for kids ! some contain adult language or situations. Over 950 of the words in this book appear in our other mnemonics book.SAT Vocab Capacity. So if you're easily offended, the SAT version might be a better choice. Why This Book Is Different If you're studying for the GRE, SAT, or for any other standardized test that measures your vocabulary, you may be feeling a little bit anxious ! especially if you've taken a practice test and encountered words you didn't know (or maybe never even saw before!) Whether you have seven days or seven months to prepare for the test, you're going to want to boost your vocabulary. But it's not that simple ! you've got to remember the words you learn. And on many GRE text completion and sentence equivalence questions, getting the right answer comes down to knowing the precise definition of the words. You could make vocabulary flashcards. You could look up words you don't know. You could read a book with lots of big words. But unless you give your brain a way to hold on to the words you learn, it will probably have a harder time remembering them when they appear on the test. That's the problem with most vocabulary books: the definitions and sentences in the books aren't especially memorable. That's where this book is different. We've not only clearly defined the words but we've also created sentences designed to help you remember the words through a variety of associations - using mnemonics. Mnemonic Examples A mnemonic is just a memory device. It works by creating a link in your brain to something else, so that recall of one thing helps recall of the other. This can be done in many ways ! but the strongest links are through senses, emotions, rhymes, and patterns. Consider this example: Quash (verb): to completely stop from happening. Think: squash. The best way to quash an invasion of ants in your kitchen is simple: squash them. Now your brain has a link from the word quash (which I may not have known) to the word squash (which I probably know). Both words sound and look the same, so it's easy to create a visual and aural link. If you picture someone squashing ants (and maybe get grossed out), you also have another visual link and an emotional link. Here's another example: Eschew (verb): to avoid. Think: ah-choo! Eschew people who say "ah-choo!" unless you want to catch their colds. The word eschew sounds similar to a sneeze (ah-choo!), so your brain will now link the two sounds. If you picture yourself avoiding someone who is about to sneeze in your face, even better! Again, the more connections you make in your brain to the new word, th

THE PRINCETON REVIEW GETS RESULTS! Ace the GRE verbal sections with 800+ words you need to know to excel.
