"Legend speaks of seven heroes, each one bearing the power of one of the stars of the Big Dipper. Two of these stars are constantly in conflict, destined to battle and throw the world into chaos....Not that Taitou has ever paid much attention to old stories. Headstrong and defiant, he is the last in his village to complete his coming-of-age ceremony--a fact his sister Laila incessantly teases him about. When he is finally deemed worthy, he is presented with the Kenka Ranbu, an ancient sword that can only be drawn by a true hero. As the frustrated Taitou struggles to unsheathe the sword, a mysterious thief appears, making off with the blade and citing the legend ofthe Big Dipper. The stars have been set in motion, as Taitou sets off after the Kenka Ranbu and the truth of his own destiny."--p. [4] of cover.

Martial-arts master Hero attempts to protect his family’s most treasured possession, the famed Blood Sword, against various foes, while also trying to guard his young son, whom his enemies are only too happy to use against Hero.

Reproduction of the original: Commentary on Genesis, Vol. I by Martin Luther

A teenage girl in Eastern Kentucky has been isolated since birth. She experiences abuse from her father as unquestionably the will of God. She obeys his rules in hopes of banishing her demons and finding redemption. But when she breaks a rule in order to teach herself to read the Bible, she discovers something more powerful than God's laws. A hidden letter written sixteen years prior by a woman named Allie to her lover, Jute, reveals both disturbing and electrifying secrets. She feels called to find Jute and deliver the letter to her, even if none of the maps in the Bible show the way to Nashville, Tennessee. Meanwhile, in Nashville, Jute has decided to let go of Allie's things. She asks her son, John, to take the boxes from the attic to the barn. To him, it's all junk. He was never told about Allie. But, when John discovers an old photograph tucked inside one of the notebooks, he is instantly drawn into the mystery of what happened to the girl. What he discovers is even more horrifying than the secrets his mother is hiding. He wants to forget it all, but he can't.

An evil as old as time is heading for Echo Lake seeking to reclaim what was lost to the sons and daughters of darkness. Just hours after watching Dragan's death, and then resurrection and while still struggling with his lack of faith - Aaron Reynolds quickly realizes that all is not as it seems with the arrival of the beautiful, redheaded stranger sent to kill his twin.Struggling to convince everyone at the Manor that Chavali is not to be trusted; Aaron plays a dangerous game to win her over in an attempt to learn the truth of the evil heading for them.

Kripslod (from Realmspeak) (1) An implement that is not only useless for the application, but also dangerous to the user. (2) A bigoted, loud, and whiny complainer who causes great trouble for himself and all those around him. What would you do if you were taken from your home on Earth and brought to live on a planet in the farthest reaches of the Galaxy? Would you join a rebel band fighting to topple an oppressive regime? Would you enlist in an interplanetary space expedition and help search the universe for alien civilizations? Would you battle to save the human race from murderous robots? Not if you’re Teodor Korzeniowski. No, he doesn’t have time for things like that. He is much too busy trying to get an extra pillow on a Port Leyken Spaceways’ interstellar economy flight from Boulanger-Four to I Taisto Station. Welcome to the new worlds of Teodor Korzeniowski—formerly of Utica, NY and now a reluctant Citizen of the Realm. Here he will be knocked-over and stepped on by the biggest and toughest space-faring carnivores in our Galaxy. He’ll meet and become the legal mate of a human female medical technician whose ancestors were once curiosities in an interplanetary traveling menagerie. He’ll join his mate in attending the graduation of new officers in the Imperial Majesty’s dreaded Secret Police. Then endanger them both when he becomes the typical ‘ugly American’ and gives his opinions about everything and everyone. Including her Imperial Majesty and her need to lose more than a little weight. In this volume, Teodor and his long-suffering mate will be joined by: Guard Admiral Reinier of the Political Police. (He insists that the condiments on the tables in the officer’s mess be arranged symmetrically at all times.) Teodor’s father-in-law. (He watches etiquette programs on the screens and still has a few choice metaphors for his unemployed son-in-law from Earth.) And the usual assortment of radical terrorists, waiters, psychotic racists, police, muggers, pensioners, medical technicians, politicians, opera singers and pirates. It is never dull when you travel our Galaxy with Teodor Korzeniowski!
