You don ' t have to be a monk to enter the ultimate realm of happiness! Yes, it ' s true. In his book Kundalini -- An Untold Story, Himalayan ascetic Om Swami unveils the enigmatic story of kundalini, the formless aspect of the Goddess or your primordial energy. With workable steps for awakening this energy source, the author explains the esoteric and practical meaning of kundalini and the seven chakras in his usual humorous style. These riveting anecdotes are based on his personal experience gained from years of intense meditation. Take an awe-inspiring journey -- something no other book on spirituality can offer -- from the origins of kundalini all the way to Swami ' s own sadhana in the modern age. Om Swami is a mystic living in the Himalayan foothills. He has a bachelor ' s degree in business and an MBA from Sydney, Australia. Prior to his renunciation of this world, he founded and ran a multi-million dollar software company successfully. He is the bestselling author of A Fistful of Love.

The metamorphosis of Mumtaz Ali Khan into Sri 'M', a yogi with profound knowledge of the Upanishads and deep personal insights, born of first hand experiences with higher levels of consciousness is indeed a fascinating story. He traveled to snow clad Himalayas at 19 where he met and lived for several years with a real yogi, Babaji.

It is a common misconception that a spiritual seeker must have faith in a god or divine entity to achieve self-realization. When one understands the teachings of the Upanishads, enlightenment is possible here and now without the word "God." The Mandukya Upanishad is for those students who want to practice spirituality without resorting to unnecessary abstract concepts.The Mandukya Upanishad provides a comprehensive map for the inward journey that shows the individual the way from the mundane to the eternal. It describes this state as the ultimate reality and the goal of human existence.When one understands the teachings of the Upanishads, then one realizes that life itself is a sort of worship that can shine on the altar of infinity. --From Chapter 1, "Awakening"
