Hitchcock at Work is a comprehensive, behind-the-scenes examination of the work of 'The Master of Suspense', Alfred Hitchcock (1899-1980). It examines the director's entire career from the early films made in the UK in the 1920s and 30s, to his move to Hollywood where he came to co-produce as well as direct his films. Film expert Bill Krohn looks beyond the usual anecdotal sources about Hitchcock, paying unprecedented attention to the director's personal papers and the archives of the film studios for which he worked. This seminal survey includes rare shooting schedules, budgets, memos, letters, storyboards and

production, a cartel of powerful media institutions and a national (and increasingly global) 'way of seeing'. It is a complex social, cultural and industrial phenomenon and is arguably the single most important site of cultural production over the past century. This collection brings together journal articles, published essays, book chapters and excerpts which explore Hollywood as a social, economic, industrial, aesthetic and political force, and as a complex historical entity.
