I am a Russian-born American citizen and Jewish. I have been raised during the oppressive Soviet regime and fortunate enough to leave it behind. This political memoir is my contribution to show people the contrast between

what I have experienced and what we are experiencing in the United States currently. After Tastes and Tales from Russia (Forgive me for being anti Social...ism) is part memoirs, part political analysis and opinions. The point I try to make is simple, that socialism has never worked and I

provide my childhood memories, experiences and analysis on why. AfterTastes and Tales from Russia is a book that will reach out to the people of all political spectrum and race. I provide examples on how the non-religious, atheist society may still be very prejudiced and, in fact, more

prejudiced than a free society. I want to help save this nation, so my book is as much from the heart as it is from my knowledge.

Timothy Cranston drops off four sisters that Dawg never knew he had, there is no question: The cousins will protect and care for the girls, and their mother, because they're family.
