The verse dramatization of the medieval murder of Thomas Becket at Canterbury by the winner of the Nobel Prize for Literature. The

Archbishop Thomas Becket speaks fatal words before he is martyred in T. S. Eliot's best-known drama, based on the murder of the Archbishop of Canterbury in 1170. Praised for its poetically masterful handling of issues of faith, politics, and the common good, T. S. Eliot's play bolstered his reputation as the most significant poet of his time. It has been performed on stage, film, and television since 1935 and was the basis for the opera *Assassinio nella Cattedrale* by the Italian composer Ildebrando Pizzetti.

"A perfect book"—and basis for the Maggie Smith film—about a teacher who makes a lasting impression on her female students in the years before World War II (Chicago Tribune). "Give me a girl at an impressionable age, and she is mine for life!" So asserts Jean Brodie, a magnetic, dubious, and sometimes comic teacher at the conservative Marcia Blaine School for Girls in Edinburgh. Brodie selects six favorite pupils to mold—and she doesn't stop with just their intellectual lives. She has a plan for them all, including how they will live, whom they will love, and what sacrifices they will make to uphold her ideals. When the girls reach adulthood and begin to find their own destinies, Jean Brodie's indelible imprint is a gift to some, and a curse to others. *The Prime of Miss Jean Brodie* is Spark's masterpiece, a novel that offers one of twentieth-century English literature's most iconic and complex characters—a woman at once admirable and sinister, benevolent and conniving. This ebook features an illustrated biography of Muriel Spark including rare photos and never-before-seen documents from the author's archive at the National Library of Scotland.

"The Alchemist" by Ben Jonson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Comedy in three acts by J.M. Synge, published and produced in 1907. It is a masterpiece of the Irish Literary Renaissance. This most famous of Synge's works fused the patois of ordinary Irish villagers with Synge's sophisticated rhetoric and enraged Irish playgoers with its satire of Irish braggadocio. The play follows the mercurial rise and fall of the character Christy Mahon, whose self-reported murder of his father earns him much admiration until his father shows up alive and in pursuit of his cowardly son. --The Merriam-Webster Encyclopedia of Literature.

Songs of Innocence and of Experience is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled Songs of Innocence and of Experience Shewing the Two Contrary States of the Human Soul. William Blake was also a painter before the songs of innocence and experience and made paintings such as Oberon, Titania, and Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are sometimes signalled by patently repeated or contrasted titles: in Innocence, Infant Joy, in Experience, Infant Sorrow; in Innocence, The Lamb, in Experience, The Fly and The Tyger. The stark simplicity of poems such as The Chimney Sweeper and The Little Black Boy display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution.

"Oliver Twist; or, the Parish Boy's Progress is Charles Dickens's second novel, and was first published as a serial 1837-39. The story centres on orphan Oliver Twist, born in a workhouse and sold into apprenticeship with an undertaker. After escaping, Oliver travels to London, where he meets "'The Artful Dodger'", a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin. Oliver Twist is notable for its unromantic portrayal by Dickens of criminals and their sordid lives, as well as for exposing the cruel treatment of the many orphans in London in the mid-19th century. The alternative title, The Parish Boy's Progress, alludes to Bunyan's The Pilgrim's Progress, as well as the 18th-century caricature series by William Hogarth, A Rake's Progress and A Harlot's Progress. In this early example of the social novel, Dickens satirises the hypocrisies of his time, including child labour, the recruitment of children as criminals, and the presence of street children. The novel may have been inspired by the story of Robert Blincoe, an orphan whose account of working as a child labourer in a cotton mill was widely read in the 1830s. It is likely that Dickens's own youthful experiences contributed as well. Oliver Twist has been the subject of numerous adaptations for various media, including a highly successful musical play, Oliver!, and the multiple Academy Award-winning 1968 motion picture. Disney also put its spin on
