Things have finally settled, but time has not erased what happened. Kyra still loves Cameron, but she can't forget what he did. When he makes an appearance, begging her to take him back, she's torn. On one hand, she loves him. On the other, she's not sure he can be trusted. Now she needs to figure out which she values more - her hopes and dreams for a future with the man she loves or her loyalty to Mika, who is pushing her to leave Cameron and all the problems that come with him behind. Will Kyra choose love over family or will she end up trapped with a man who might not be ready to leave the drug game behind? Many designers and photographers own the entire suite of Adobe's creative products, but they manage to learn only one or two of the applications really well. If Adobe InDesign CS5.5 is the one app in the suite that makes you feel like you're entering a foreign country where you don't speak the language, Robin Williams provides the perfect travel guide and translator in this new edition to the best-selling Non-Designer's series. This fun, straight-forward, four-color book includes many individual exercises designed specifically to teach InDesign CS5.5 to beginners in such a way that you can jump in at any point to learn a specific tool or technique. Along the way, Robin offers design tips for making your work communicate appropriately and beautifully. Whether you need to create your own marketing materials for a small business or organization, or you want your student or business papers to be perceived as more professional, or you want to become more proficient with the design tools you already use, this book is the fastest and most efficient path to mastering basic tasks InDesign. In this non-designer's guide to InDesign CS5.5, you'll learn: How to create basic design projects, such as flyers, business cards, letterhead, ads, brochures, CD covers, and much more How to add images to your pages and crop, rotate, resize, and add effects to those images How to use InDesign's typographic tools to make your work look professional How to use style sheets so every job is easier to create and work with How to use tabs and indents with confidence and predictability How to create nice-looking tables to effectively organize data And, of course, the basics of working in InDesign with layers, panels, tools, etc.

THIS BOOK COULD SAVE YOUR LIFE -Every five seconds, one more person develops diabetes. -Worldwide, 285 million people are affected by type 2 diabetes. -Many of them have no idea. Here is the personal story of one man who has unearthed the mysteries of this global epidemic and offers hard-won practical advice for how readers can take control of their lives and combat this deadly disease. "Sugar Nation is a must-read! As a fitness expert myself, who has dealt with family diabetes and coaching families on how to limit their sugar intake, this book is a fundamental tool in educating the world on just how dangerous dietary sugar can be. Jeff O'Connell's direct yet user-friendly approach to this important and overlooked subject is more than refreshing. All will benefit from picking this book up." --Jennifer Nicole Lee, author of The Jennifer Nicole Lee Fitness Model Diet
