inclusion for teaching, learning, and optimal patient care. Roadmap to Diversity and Educational Excellence is designed to help medical schools establish and implement institution-specific, diversity-related policies that will advance their core educational goals with minimal legal risk. This second edition includes new guidance associated with the June 2013 decision by the U.S. Supreme Court in Fisher v. University of Texas. More than just a legal update, this publication provides additional insights into relevant facets of law, policy, and research, to reflect the current challenges that
