In a previous collection, Jack Daniels Stories Vol. 1, I included all of the Lt. Jacqueline "Jack" Daniels short stories that have been published in anthologies and magazines throughout the years. This book is something different. In 2016, Amazon tried an experiment called Kindle Worlds, which allowed other authors to write stories in my universe using my characters. Because I enjoy collaboration, I co-wrote stories with a select few of these authors. I had a lot of fun, and got to work with many talented people, some of them old pros, some of them rising stars. This resulted in over 1000 pages of good stuff featuring Jack Daniels, Phineas Troutt, Harry McGlade, Chandler, Hammett, and Tequila. For the first time, these stories have been compiled into three new collections. Vol. 4 includes: STRAIGHT UP (with Iain Rob Wright) - Terror at 20k feet, but Jack has a secret ally. WATCHED TOO LONG (with Ann Voss Peterson) - Wisconsin cop Val Ryker is on babysitting duty; Jack's toddler daughter. OCTOBER DARK (with Joshua Simcox) - Phineas Troutt meets young contract killer, Macklin Dailey. BEAT DOWN (with Garth Perry) - Jack is back, once again joining forces with psychic AJ Rakowski. A LETTER TO JACK (with Harry McGlade) - It's not the Jack you're expecting... BURNERS (with Henry Perez) - Jack and Alex Chapa butt heads in a hot legal thriller. If you are a more sensitive (or adventurous) reader, this handy scale rates specific categories from 1 (lowest) to 10 (highest) to give you some idea if this is your kind of book. JACK DANIELS STORIES VOL. 4 by JA Konrath & Others Scary - 4 Violent - 6 Funny - 8 Sexy - 3 Crossover - Characters also appear in the Jack Daniels Thriller series, the Codename: Chandler series with Ann Voss Peterson, and the Konrath Dark Thriller Collective series

The Moonstone is one of the most famous suspense novels of all time: a masterpiece of construction and the ultimate page-turner, it introduced one of the world's most beloved genres, the detective story. At a party celebrating her eighteenth birthday, Rachel Verinder wears the stunning yellow diamond she unexpectedly inherited from her uncle, Colonel John Herncastle. She is not aware that the precious gem, known as the Moonstone, has been missing since it was plundered from a sacred Hindu shrine in southern India where her uncle had served with the British army fifty years ago. But someone knows the secret of the Moonstone and will go to desperate measures to retrieve it. When it goes missing later that night, suspicions are raised and accusations fly. Could it be a trio of mysterious Indian jugglers seen near the house? Or a love-struck housemaid suddenly behaving strangely? And there is Rachel herself, who becomes furious when her paramour, Franklin Blake, directs attempts to find it. As divergent accounts reveal more details, the diamond's recovery is complicated by unexpected twists and turns. Sifting through a compelling list of suspects, the indomitable Sergeant Cuff must find the truth about the Moonstone and its mysterious disappearance. The Moonstone features 66 black and-white woodcut illustrations throughout.

The powerful story that has captivated the sports world and inspired many to believe in miracles On October 16, 2010, Eric LeGrand's life drastically changed course in a single moment. Eric was known for his skill as a key Rutgers defensive lineman and as a much-loved teammate who could make anyone smile. During the heated fourth quarter of a tie game against Army, a crushing tackle left Eric sprawled motionless on the ground while the entire stadium went silent with fear and anticipation. Doctors later discovered that Eric's body was paralyzed from the neck down, marking the beginning of a long, grueling, and emotional road to recovery. What Eric didn't know then, however, was that the months to come would be a remarkable, transformative journey—one so profound that he would call the time since his accident the best years of his life. In this moving memoir, Eric tells the uplifting story of how he is rebuilding his future in the face of hardship. Doctors said that he would never again breathe without a ventilator. Five weeks later, though, he astonished them by drawing breath on his own. He thrilled fans only months later by posting a picture of himself online standing with support during a rehabilitation session. A year after the accident, the nation watched as he led his Rutgers teammates onto the field in his wheelchair—a powerful gesture that was voted best sports moment of 2011 by Sports Illustrated readers. Now, Eric is on his way to graduating from Rutgers University, has a budding career as a sports broadcaster, and uses his experience to spread a message of belief and positivity. He also joined the roster of the Tampa Bay Buccaneers in May 2012 in a symbolic move that recognized his "character, spirit, and perseverance," said Bucs head coach Greg Schiano. Though Eric relies on his family, friends, and faith, his belief and hope for a better future make him a role model for anyone who has experienced tragedy or faced daunting obstacles. Believe is a story of finding purpose in pain and facing setbacks with strength.

Several million bucks, stolen from the mob, all caught on video, with no chance of redemption. Now one man must face the entire Chicago Outfit, a group of hardened Mafia enforcers, a psychotic bookie, the most dangerous hitman on earth, and Detective Jacqueline Daniels. His name is Tequila. And he likes those odds.
