Access Free Liability For Negligent . . . Misstatements

This book is the first comprehensive and integrated account of the law on liability for negligent misstatements. Designed as a comprehensive guide for

Access Free Liability For

Negligent
Misstatements
practitioners,
it outlines the
essential issues
that must be
considered in
determining
whether a client
will have a
cause of action
for negligent
misstatement. It
will also
discuss in
detail those

Access Free Liability For

issues that are likely to prove most contentious. First, the book attempts to unravel the 'three-stage test' which provides the conceptual framework within which duties of care are analysed in

Access Free Liability For

tort. An account of the function of each stage of the test is offered. Second, the book defines what constitutes 'physical damage' and 'pure economic loss' and examines the major ways in which the latter

Access Free Liability For

kind of loss
arises. Third,
the book
outlines the
elements of
liability in
physical damage
and pure
economic loss
cases. The
treatment of
liability by
negligent
misstatements is

Access Free Liability For

completed with a
full discussion
of breach,
causation, and
the defences.*

Access Free Liability For Negligent Misstatements

This book is written with the aim of exploring the law of negligence in the context of words. Divided into fourteen chapters, it includes an

Access Free

Liability For

overview of
legal approaches
to words

followed by the
significance of
the House of
Lords decision
in Hedley Byrne
as the basis of
the action for
negligent
misstatement. A
compendium of
professional

Access Free

Liability For

liability
situations
involving modern
forms of
informational
injury follows.
This includes
the obligations
of lawyers,
doctors, lenders
and public
authorities
under negligent
misstatement

Access Free

Liability For

Negligent

Missstatements

principles.
Negligent words
and

communication of
news are also
addressed,
including
compensation for
nervous shock. A
final chapter is
devoted to
possible future
uses of the law.
The law of

Access Free Liability For

negligent is increasingly imposing a duty of care upon professional parties. This book traces the expansion of the recognition of negligence liability where words are the source of the harm into

Access Free Liability For contemporary situations of informational harm.

2013 was the
50th anniversary
of the House of
Lords' landmark
decision in
Hedley Byrne v
Heller. This

Access Free

Liability For

international
collection of
essays brings
together leading
experts from
five of the most
important
jurisdictions in
which the case
has been
received (the
United Kingdom,
the United
States, New

Access Free Liability For

Negligent (Canada
and Australia)
Misstatements
to reappraise
its implications
from a number of
complementary pe
rspectives-
historical,
theoretical,
conceptual,
doctrinal and
comparative. It
explores modern
developments in

Access Free

Liability For

the law of
misstatement in
each of the
jurisdictions;
examines the
case's profound
effects on the
conceptual
apparatus of the
law of
negligence more
generally;
explores the
intersections

Access Free

Liability For

Negligent

misstatement

liabilities in

contract, tort,

equity and under

statutory

consumer

protection

provisions; and

critically

assesses the

ways in which

advisor

liabilities have

Access Free Liability For

come to be
limited and
distributed
under systems of
'joint and
several' and
'proportionate'
liability
respectively.
Inspired by
Hedley Byrne,
the purpose of
the collection
is to reflect on

Access Free

Liability For

the case's
echoes, effects
and analogues

throughout the
private law and
to provide a
platform for
thinking about
the ways in
which

liabilities for
misstatement and
pure economic
loss should be

Access Free Liability For Negligent Misstatements modelled in the modern day.

Tort Law
