A clear, concise, and respectful presentation of Mark's Gospel—and what Jesus' suffering means for us Daniel J. Harrington, SJ, is well known for his superb New Testament scholarship, but he is also highly regarded for his exceptional ability to bridge the gap between modern biblical scholarship and authentic Christian spirituality. In Meeting St. Mark Today, the final book in this series on the Gospels, Harrington has provided another straightforward, practical resource for lay Catholics who want a better understanding of this synoptic Gospel. The book begins with background information on the Evangelist and his Gospel. It moves quickly into a concise but complete narrative analysis of the Gospel, which clearly demonstrates the human side of Jesus. Part Three of the book explains how Mark's Gospel provides answers to two essential questions: What did Jesus suffer?, and Why did Jesus suffer? It also proposes answers to the universal question, Why do people suffer? The book's final section includes five meditations on suffering, based on lectionary readings from Year B (St. Mark) in the Sunday lectionary cycle. Each chapter concludes with questions for reflection and discussion, making Meeting St. Mark Today an ideal resource for individual Scripture study or group Bible study. The readings from Mark's Gospel for all Sundays and Feasts in Cycle B are listed at the end of the book. Ultimately, Meeting St. Mark Today opens the theological treasure chest of this easily overlooked Gospel, enabling us to see how Jesus' suffering and the mystery of the cross can reshape our faith and our lives.

John's Gospel is a literary and theological masterpiece—but therein lays the problem for many people in the pew. Believing John's Gospel to be too abstract and spiritual for them to comprehend, they never read it for themselves; as a result, they miss out on the amazing beauty and simplicity of John's message. In Meeting St. John Today, renowned biblical scholar Daniel J. Harrington, SJ, offers a clear, concise, and respectful presentation of this rich Gospel while bridging the gap between modern biblical scholarship and Christian spirituality. This quick-moving book includes, among other topics, a look at the historical setting of John's Gospel, a narrative analysis of the Gospel, and an overview of its theological message. Meeting St. John Today serves as an excellent resource for Bible-study groups or for any individual who wants to discover and put into practice the simple treasures this special Gospel has to offer. Daniel J. Harrington, SJ, is professor of New Testament at Boston College School of Theology and Ministry in Cambridge, MA. He has been general editor of New Testament Abstracts since 1972

What truly sets this book apart is the way in which Harrington effectively bridges the gap between modern biblical scholarship and Christian spirituality. The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

St Mark's Gospel is among the earliest records about Jesus of Nazareth. This commentary focuses primarily on the problem of understanding what Mark himself intended to convey to his readers when he set out to write 'the good news of Jesus Christ'. There is an examination of information in the gospel about the historical Jesus, about the early Christian community and about Mark's theological concerns.

There is, also, consideration of the sources for the Gospel, of the tradition behind it and of interventions by editors. Professor Hooker's new commentary takes account of the many lasted twentieth-century Markan studies and comes with her own translation of the Gospel. References to Greek sources are included but do not require a knowledge of Greek.

Saint Marks invokes and pluralizes the figure of Mark in order to explore relations between painting and writing. Emphasizing that the saint is not a singular biographical individual in the various biblical and hagiographic texts that involve someone so named, the book takes as its ultimate concern the kinds of material life that outlive the human subject. From the incommensurate, anachronic instances in which Saint Mark can be located—among them, as Evangelist or as patron saint of Venice—the book traces Mark's afterlives within art, sacred texts, and literature in conversation with such art historians and philosophers as Aby Warburg, Giorgio Agamben, Georges Didi-Huberman, T. J. Clark, Adrian Stokes, and Jean-Luc Nancy. Goldberg begins in sixteenth-century Venice, with a series of paintings by Gentile and Giovanni Bellini, Tintoretto, and others, that have virtually nothing to do with biblical texts. He turns then to the legacy of John Ruskin's *Stones of Venice* and through it to questions about what painting does as painting. A final chapter turns to ancient texts, considering the Gospel of St. Mark together with its double, the so-called Secret Gospel that has occasioned controversy for its homoerotic implications. The posthumous persistence of a life is what the gospel named Mark calls the Kingdom of God. Saints have posthumous lives; but so too do paintings and texts. This major interdisciplinary study by one of our most astute cultural critics extends what might have been a purely theological subject to embrace questions central to cultural practice from the ancient world to the present.

Weaving Hope is a narrative history of one group of Catholic women religious in the United States. From Quebec, Canada, in 1877 the Religious of Jesus and Mary arrived as missionaries to teach children of French-Canadian immigrants in textile industries of New England. Their ministry spread to New York, Maryland, the South, and the West. Primarily educators, they directed academies and parish schools. In the South and Southwest, they added pastoral outreach to their educational ministry. With few resources, the sisters overcame diverse challenges to create a network of service from coast to coast. This book presents the challenges they faced from local hierarchy and clergy, as well as ethnic prejudices, language difficulties, classism, and financial insecurity. Their faith and bold courage are displayed in this vibrant tapestry of a small but significant piece of women's history in our nation.
