Micros Guide - codeofhost.com
Macros vs Micros – The Ultimate Guide. Most of the time, when it comes to nutrition, we like to think in terms of macronutrients. Carbs. Fat. Protein. Fibre. Simple! But maybe too simple? Today we want to take a closer look at macros vs micros and find out what you need to pay attention to in your nutrition journey.

Macros vs Micros - The Ultimate Guide - Marty Kendall

Discusses computer hardware and software with attention to specific library applications

bull; Contains the most depth and breadth of coverage of any book on SQL Server architecture, internals, and tuning bull; Will be a key reference for anyone working with SQL Server, no matter what their skill level bull; The latest book in the bestselling series of Guru's Guides from Ken Henderson

With more than 100 full-color photos and detailed captions showing how to create safe and simple rock-climbing anchoring systems, this is a take-to-the-crag companion book to our huge-selling Climbing Anchors. Designed for quick use by climbers on site, this book shows how to properly place and configure natural anchors, passive chocks, mechanical chocks, fixed gear, knots, belay anchors, top rope anchors and rappel anchors. This field guide is up to date with the essential knowledge every climber can depend on.

The Rough Guide to South America on a Budget is the definitive guide to making the most of this exotic region without breaking the bank. Backpackers, career-breakers, gap year travellers and those who want more bang for their buck, will find in-depth budget information for all twelve South American countries and every aspect of travel. From hotels, hostels and restaurants to special events, festivals and adrenalin-pumping outdoor activities, this guide is packed with the best budget information. You'll find " Treat Yourself " boxes that feature great places and things worth splashing out on and also a full-colour introduction with highlights for every country. There are reviews and recommendations for night-life, shopping, markets and entertainment, as well as useful words and phrases in every language and detailed maps for hundreds of locations. Make the most of your time with The Rough Guide to Central America on a Budget.

This thoroughly updated Rough Guide includes significantly more detailed maps and colour photographs than its closest competitor, as well as author picks and new colour sections that beautifully illustrate the countries ancient beliefs and mysticisms and the excellent range of outdoor activities on offer. An updated history section includes the civil disturbances of recent years, giving you a sound context in which to really get a feel for the country. There is expanded coverage on trekking and Isla del Sol, as well as candid reviews of all the best places to stay and eat, from jungle lodges to colonial mansions. With expert knowledge from an author who has a deep understanding of the Bolivian way of life, this book is perfect for those independent travellers who want a far more unique and imaginative trip. Make the most of your time with The Rough Guide to Bolivia.

'A remarkable field guide ... one of those books that come along every now and then and cause a revolution.' Michael McCarthy Independent This concise guide is a companion to the main Field Guide to the Moths of Great Britain and Ireland by the same expert authors, but is in a condensed form with artwork opposite the species descriptions and lay-flat binding for ease of use in the field. It includes brief but comprehensive field descriptions of all the macro-moths in Great Britain, Ireland, the Isle of Man and the Channel Islands, and this second edition has been thoroughly revised and updated to reflect the latest advances in taxonomy. Featuring more than 1,700 superbly detailed colour artworks and covering nearly 900 species, this portable guide is an essential addition to every moth-lover's field kit.
