A classic resource for beginning Hebrew students First published over thirty years ago under the title *A Student's Vocabulary of Biblical Hebrew*, this classic work has been completely revised, updated, and expanded by the author to assist a new generation of students in naturally developing a basic Biblical Hebrew vocabulary. Designed to help beginning Hebrew readers acquire vocabulary quickly, this valuable teaching tool focuses on words that occur most frequently in the Hebrew Bible, while arranging them by roots and cognates allowing students to naturally expand their working vocabulary. Vocabulary lists have been kept to a manageable size; extensive cross-references document when words appear frequently with different meanings, and an index allows rapid location of every word encountered. As a result, students who master this volume will remember words more easily, consult a lexicon less frequently but more intelligently, and translate the Hebrew Bible at sight more readily and enjoyably. Features Vocabulary groupings based on frequency, roots, and cognates Separate listing for nouns without verbal roots in the Hebrew Bible Appendices including proper names and the forms and meanings of pronominal suffixes

Ben-Yehuda's vision of a modern Hebrew eventually came to animate a large part of the Jewish world, and gave new confidence and pride to Jewish youth during the most difficult period of modern history, infusing Zionism with a dynamic cultural content. This book examines the many changes that occurred in the transition to Modern Hebrew, acquainting new students of the language with its role as a model for other national revivals, and explaining how it overcame many obstacles to become a spoken vernacular. The author deals primarily with the social and political use of the language and does not cover literature. Also discussed are the dilemmas facing the language arising from the fact that Israelis and Jews in the Diaspora "don't speak the same language," while Israeli Arabs and Jews often do.

An accessible introduction to the Hebrew language

This work is a simplified introductory grammar of Biblical Hebrew based on the inductive study of selected chapters from the Hebrew Bible: Genesis 22, Genesis 12, Deuteronomy 5, Joshua 24, II Samuel 11-12, Genesis 1, Jeremiah 1, and Psalm 51.
