The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya. This is the true story of one of the participants in some of those robberies, John Kiriamiti. In raw and candid language, Kiriamiti tells the story of how he dropped out of secondary school when he was only fifteen years old, and for a time became a novice pickpocket, before graduating into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminal's struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s

and '90s.

John Kiriamiti's best-selling novel My Life in Crime has become a classic. When, as an innocent teenage girl, Miriam met John Kiriamiti, alias Jack Zollo, she found him gentle, kind and considerate. She fell into a passionate, romantic love with this man who claimed to be a car salesman, and who continued to present the image of the perfect gentleman -- for months, running into years, never abusing her trust and for this long period continuing to respect her virtue and her virginity. But finally, with a clean conscience and with the blessing of her own mother, she moved in with this man she loved. And that is when she began to notice that her lover led a double life. It started with the realisation that this man never had an office ... he operated from a noisy bar ... Then there were the little, heavy, sharp-pointed, dull-golden objects hidden in a chalkbox ... and, one day when she came home early from the office, the stumbling on five men in her sitting room conspiratorially sharing out bank notes. Her discovery of her man's double life did not constrain her to run away from him, for her love was the love of a lifetime. But her life and love started to exact a heavy price: she constantly walked the tightrope of stress as she sat out nights waiting for a man who at such moments was involved in gun fights and car chases with the police. Could she ever hope of settling
