The 720-0063-LP Grill is designed for optimum performance without the use of briquettes. Do not place briquettes on the radiant as this will block off the area for the grill burners to vent. Adding briquettes can damage ignition components and knobs, and void the warranty. Keep the back of the cart free and clear from debris.

~~STAINLESS STEEL GAS GRILL MODEL NO.: 720-0063-LP~~

Here are the diagrams and repair parts for Nexgrill 720-0830A gas grill, as well as links to manuals and error code tables, if available.
