On the life struggle of George Washington Carver, 1864-1943, an African American agriculturist.

Born into slavery, George Washington Carver became one of the most prestigious scientists of his time. This biography follows Dr. Carver's life from childhood to his days as a teacher and discoverer.

Golda Meir was the first female head of state in the Western world and one of the most influential women in modern history. A blend of Emma Goldman and Martin Luther King Jr. in the guise of a cookie-serving grandmother, her uncompromising devotion to shaping and defending a Jewish homeland against dogged enemies and skittish allies stunned political contemporaries and transformed Middle Eastern politics for decades to follow. She outmaneuvered Richard Nixon and Henry Kissinger at their own game of Realpolitik, and led Israel through a bloody war even as she eloquently pleaded for peace, carrying her nation through its most perilous hours while she herself battled cancer. In this masterful biography, critically acclaimed author Elinor Burkett paints a vivid portrait of a legendary woman defined by contradictions: an iron resolve coupled with magnetic charm, a kindly demeanor that disguised a stunning hard-heartedness, and a complete dedication to her country that often overwhelmed her personal relationships.

Born At Midnight is written by Kedar Vitekar, a very talented new born writer. This is his first book in the genre of romance. The book resolves around the love and how it can turn our life around. Kedar Vitekar, in his book reveals the story of small lad Aryan, how he falls in love with cute little bubbly girl Mukta in the age of playing video games and he then end up proposing her, but when she says no he starts to take some decisions which then land himself in blunders, one thing led to another and he finds himself in a mess. When he joins college he meets Riya and all of a sudden he feels like his life going upside down.

This handbook makes available to students a comprehensive resource reference in the field of sociology and social anthropology.

Anupama looked into the mirror and shivered with shock. A small white patch had now appeared on her arm.' Anupama's fairytale marriage to Anand falls apart when she discovers a white patch on her foot and learns that she has leukoderma. Abandoned by her uncaring in-laws and insensitive husband, she is forced to return to her father's home in the village. The social stigma of a married woman living with her parents, her steother's continual barbs and the ostracism that accompanies her skin condition force her to contemplate suicide. Determined to rebuild her life against all odds, Anupama goes to Bombay where she finds success, respect and the promise of an enduring friendship. Mahashweta is an inspiring story of courage and resilience in a world marred by illusions and betrayals. This poignant tale offers hope and solace to the victims of the prejudices that govern society even today.

Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafs about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtrian town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.

Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmans or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.
