With Personal Finance, Fourth Canadian Edition, as your guide, students will master key concepts that will aid them in managing and increasing their personal wealth.The aim of this textbook is to equip students with knowledge and decision-making tools to help them make sound financial decisions.

This text is not about filling in income tax forms-it provides students with strategies for building a successful personal financial plan. This hands-on approach equips students with the expertise they need to make informed financial decisions. The most recent coverage of rules and regulations that govern and affect financial planning have been integrated throughout this new edition, as well as coverage of recent events such as the financial crisis. Note: If you are purchasing an electronic version, MyFinanceLab does not come automatically packaged with it. To purchase MyFinanceLab, please visit [www.MyFinanceLab.com](http://www.MyFinanceLab.com) or you can purchase a package of the physical text and MyFinanceLab by searching for ISBN 10: 0321751159 / ISBN 13: 9780321751157.

For courses in Personal Finance. A Hands-On Approach to Financial Planning The main feature of Personal Finance is its hands-on approach keyed to the concepts readers need to build their own financial plans. The text's seven parts are all pieces of a financial plan; Chapter 21 is the capstone. A running example throughout the book and a variety of end-of-chapter cases reinforce the practical aspects of planning. The Sixth Edition is fully updated with recent financial trends, such as lower interest rates, changing salaries, and rules for credit card use. With case studies and workable examples throughout, this book is an active tool readers can use to become comfortable managing their finances into the future. Also Available with MyFinanceLab™ MyFinanceLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyFinanceLab does not come packaged with this content. Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. New for this edition, sections are oriented around specific action-items for students. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.

While focusing on the student's role as citizen, student, family member, consumer, and active participant in the business world, Managing Your Personal Finances 6E informs students of their various financial responsibilities. This comprehensive text provides opportunities for self-awareness, expression, and satisfaction in a highly technical and competitive society. Students discover new ways to maximize their earning potential, develop strategies for managing their resources, explore skills for the wise use of credit, and gain insight into the different ways of investing money. Written specifically for high school students, special sections in each chapter hold student interest by focusing on current trends and issues consumers face in the marketplace. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Practical and applications (rather than theory) based, this book focuses on the needs of individuals interested in starting a small business -- primarily those organized as sole proprietorships, partnerships, or small Subchapter S corporations. It emphasizes small businesses exclusively -- with specific examples of the non-corporate market. The book is mathematically accessible to those with limited mathematical background (formulas are explained rather than derived, and only basic math is used in illustrations and solutions). A full case study is referred to throughout narrative and an accompanying CD-ROM includes all tables in Excel format.

Access Card Package Package consists of: \*0134472136 / 9780134472133 Fundamentals of Multinational Finance\*0134626575 / 9780134626574 MyLab Finance with Pearson eText -- Access Card -- for Fundamentals of Multinational Finance

The journey to financial freedom starts here! Kapoor/Dlabay/Hughes' market-leading Personal Finance provides practical guidance on how students can achieve peace of mind with regard to their financial situation. It provides many financial planning tools to help students identify and evaluate choices as well as understand the consequences of decisions in terms of opportunity costs. And now, McGraw-Hill's adaptive learning component, LearnSmart, provides assignable modules that help students master chapter core concepts and come to class more prepared. In addition, resources within Connect Plus help students solve financial problems and apply what they've learned. Kapoor's practical resources, comprehensive coverage, and superior pedagogy combine with a complete digital solution to help students achieve higher outcomes in the course.

Presents subject reviews, full-length practice tests with answer explanations, online practice questions, and test-taking strategies to help readers prepare for and score higher on the high school equivalency test.

The essential concepts of both accounting and financial management are covered in this best-selling healthcare finance book. Through clear explanations, numerous examples, and realistic practice problems, it arms future managers with the grounding they need to make financially sound decisions for their healthcare organizations. This thoroughly updated edition provides more emphasis on the unique marketplace for healthcare services and additional examples from nonhospital settings, including medical practices, clinics, home health agencies, nursing homes, and managed care organizations.
