There are paid online survey sites where you can earn extra money. Some of them are even ... survey sites that can help create a little extra income. You can sign up or join through Facebook.

From the Man Booker Prize-winning author of *The Finkler Question* and *J*, and one of “our funniest writers alive” (Allison Pearson): a wickedly observed novel of old age and new love. At the age of ninety-something, Beryl Dusingery is forgetting everything—including her own children. Her tongue, meanwhile, remains as sharp as ever. She spends her days stitching macabre messages into her needlework and tormenting her two long-suffering carers with tangled stories of her love affairs. Shimi Carmelli can do up his own buttons, walk without the aid of a frame, and speak without spitting. Among the widows of North London, he’s whispered about as the last of the eligible bachelors. Unlike Beryl, he forgets nothing—especially not the shame of a childhood incident that has hung over him ever since. There’s very little life remaining for either of them, but perhaps just enough to heal some of the hurt inflicted along the way and find new meaning in what’s left. Could this be their chance to live a little? Told with Jacobson’s trademark wit and style, *Live a Little* is equal parts funny, irreverent, and tender—a novel to make you consider all the paths not taken, and whether you could still change course. Advance praise for *Live a Little* “One of the great comic geniuses of our time.”—Lit Hub “A tender story of unlikely love . . . Jacobson treats with compassion the dilemma of old age. . . . Wise, witty, and deftly crafted.”—Kirkus Reviews (starred review) “For all of its moments of bleakness, and the occasional flicker of genuine terror, it’s rarely less than bitterly funny in its determination to face up to the obliteration that awaits us all.”—The Guardian “What a relief to come on a novel which invites you to smile and even laugh.”—The Scotsman “The novel’s brilliant cover tells it all: hearts and skulls, love and death.”—The Jewish Chronicle “A thoroughly enjoyable read. For a literature snob and a language obsessive . . . there is a lot to feast on . . . for someone looking for an emotionally honest storyline, the book also delivers. *Live a Little* is about growing old, but it’s also about gender, race, love and politics.”—Independent “Tender and funny.”—Grazia

“The novel that foreshadowed Donald Trump’s authoritarian appeal.”—Salon *It Can’t Happen Here* is the only one of Sinclair Lewis’s later novels to match the power of *Main Street*, *Babbitt*, and *Arrowsmith*. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler’s aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called “a message to thinking Americans” by the Springfield Republican when it was published in 1935, *It Can’t Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today’s news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

Providing a description of the forces that affect the valuation, risk and return of fixed income securities, this text outlines the importance of parameter data and the role of financial models.

This true legal thriller debunks everything the media and the government told us about the Department of Justice's destruction and prosecution of the venerable accounting firm Arthur Andersen, Merrill Lynch executives who did one business transaction with Enron, Alaska Senator Ted Steven's, and more. The common thread through it all is a cabal of narcissistic federal prosecutors who broke all the rules and rose to great power. Still in the news today--Robert Mueller's "pitbull" Andrew Weissmann and other members of Obama's inner circle--are wreaking havoc on our Republic. This is the book that began exposing "the Deep State."

Popular as party favors and presents, origami figures folded from paper money offer clever possibilities for folders at all levels of skill. This easy-to-follow guide features thirty-two simple models, both traditional and original. Figures include a heart, a house, and an array of animals, from a bird and a butterfly to a whale and a rhinoceros. There's even a model of George Washington himself! Numerous diagrams illustrate each model, rendered in dark and light green to indicate the two sides of a bill. The finished models are shown in full color.

"Stephen Kumalo, a church minister, receives a letter that changes his life. He must leave his village and travel to the city of Johannesburg, where his sister is ill and his son is lost. He has never been so far from home, and he is worried about what he will find there - but the situation is much worse than he could have imagined." - back cover.

Film legend Kirk Douglas and Anne Buydens, his wife of nearly sixty-three years, look back on a lifetime filled with drama both on and off the screen. Sharing priceless correspondence with each other as well as the celebrities and world leaders they called friends, Kirk and Anne is a candid portrayal of the pleasures and pitfalls of a Hollywood life lived in the public eye. Compiled from Anne's private archive of letters and photographs, this is an intimate glimpse into the Douglasses' courtship and marriage set against the backdrop of Kirk's screen triumphs, including *The Vikings*, *Lust For Life*, *Paths of Glory*, and *Spartacus*. The letters themselves, as well as Kirk and Anne's vivid descriptions of their experiences, reveal remarkable insight and anecdotes about the legendary figures they knew so well, including Lauren Bacall, Frank Sinatra, Burt Lancaster, Elizabeth Taylor, John Wayne, the Kennedys, and the Reagans. Filled with photos from film sets, private moments, and public events, Kirk and Anne details the adventurous, oftentimes comic, and poignant reality behind the glamour of a Hollywood life-as only a couple of sixty-two years (and counting) could tell it.

Instructions and diagrams for fashioning such simple objects as a flower, Japanese box, and church as well as more challenging projects such as a squirrel on a log, birds in a nest, a unicorn, and a full-rigged sailing ship. Over 30 entertaining projects for origami fans of all ages and abilities.
