The Sunday Times bestselling autobiography from the greatest tennis player of his generation 'A winner' Independent 'A terrific sporting memoir, full of memorable anecdotes 'New Statesman 'As exciting as Rafa himself' Woman's Own No tennis player since Andre Agassi has captivated the world like Rafael Nadal. He's a rarity in today's sporting arena - a true sportsman who chooses to let his raw talent, dedication and humility define him. With a remarkable 16 grand slam victories under his belt, and with friend and rival Roger Federer's record haul of 20 in his sights, Nadal is an extraordinary competitor whose ferocity on court is made even more remarkable by his grace off it. This book takes us to the heart of Nadal's childhood, his growth as a player, and his incredible career. It includes memorable highs and lows, from victory in the 2008 Wimbledon final - a match that John McEnroe called the 'greatest game of tennis ever played' - to the injury problems that have frequently threatened his dominance of the sport, to becoming the youngest player of the open era to complete a career Grand Slam in 2010. It transports us from Nadal's lifelong home on the island of Majorca to the locker room of Centre Court as he describes in detail the pressures of competing in the greatest tournament in the world. It offers a glimpse behind the racquet to learn what really makes this intensely private person - who has never before talked about his home life - tick. And it provides us with a story that is personal, revealing and every bit as exciting as Nadal himself.

What makes a champion? What does it take to be the best in the world at your sport? Rafael Nadal has the answers. In his memoir, written with award-winning journalist John Carlin, he reveals the secrets of his game and shares the inspiring personal story behind his success. It begins in Mallorca, where the tight-knit Nadal family has lived for generations. Coached by his uncle Toni from the age of four and taught humility and respect by his parents, Nadal has managed the uncommon feat of becoming an acclaimed global celebrity while remaining a gracious, hardworking role model for people in all walks of life. Now he takes us behind the scenes, from winning the Wimbledon 2008 final-described by John McEnroe as "the greatest game of tennis" he had ever seen-to the family problems that brought him low in 2009 and the numerous injuries that have threatened his career. With candor and intelligence, Nadal brings readers on his dramatic and triumphant journey, never losing sight of the prize he values above all others: the unity and love of his family. From RAFA: "During a match, you are in a permanent battle to fight back your everyday vulnerabilities, bottle up your human feelings. The more bottled up they are, the greater your chances of winning, so long as you've trained as hard as you play and the gap in talent is not too wide between you and your rival. The gap in talent with Federer existed, but it was not impossibly wide. It was narrow enough, even on his favorite surface in the tournament he played best, for me to know that if I silenced the doubts and fears, and exaggerated hopes, inside my head better than he did, I could beat him. You have to cage yourself in protective armor, turn yourself into a bloodless warrior. It's a kind of self-hypnosis, a game you play, with deadly seriousness, to disguise your own weaknesses from yourself, as well as from your rival."

With candor, heart, and intelligence, Rafael Nadal takes readers on his life's dramatic and triumphant journey, never losing sight along the way of the prize he values above all others: the unity and love of his family. In this memoir, written with award-winning journalist John Carlin, Nadal, one of the greatest players in the history of tennis, reveals the secrets of his game and shares the inspiring personal story behind his success. From the Mediterranean island of Mallorca, where he was coached by his uncle Toni from the age of four, to becoming the youngest professional tennis player ever to win all four Grand Slam titles, Nadal has managed the uncommon feat of being an acclaimed global celebrity while remaining an unfailingly gracious, relentlessly hardworking role model for people in all walks of life.--From publisher description.

Spanish tennis legend Rafael Nadal was 19 years and two days old when he won the 2005 French Open in his very first appearance at the event. A left-hander with a booming forehand, Nadal had been known as a clay-court specialist since playing his first pro tournaments in 2001. His aggressive style, flowing hair, and muscular build have made him a fan favorite as well. He won his first singles title in 2004, and had a breakout season in 2005, winning at Monte Carlo, Rome, Barcelona, and Stuttgart as well as at Roland Garros. He won the French Open again in 2006, 2007, and 2008, defeating rival Roger Federer in the final each time. In 2008 he broke through at Wimbledon, beating Federer to win the men's singles title in a spectacular fashion. Here is his unbelievable story.

Thanks to his modest personality, from an early age the great tennis player Rafa Nadal discovered what really matters, and the values that would be the guiding principles for his life. Guided Reading Level: P. Lexile Level: 930L

The executive editor of Sports Illustrated offers an in-depth analysis and behind-the-scenes look at the historic 2008 match between tennis titans. In the 2008 Wimbledon men ' s final, Centre Court was a stage set worthy of Shakespearean drama. Five-time champion Roger Federer was on track to take his rightful place as the most dominant player in the history of the game. He just needed to cling to his trajectory. So, in the last few moments of daylight, Centre Court witnessed a coronation. Only it wasn ' t a crowning for the Swiss heir apparent but for a swashbuckling Spaniard. Twenty-two-year-old Rafael Nadal prevailed, in five sets, in what was, according to the author, " essentially a four-hour, forty-eight-minute infomercial for everything that is right about tennis—a festival of skill, accuracy, grace, strength, speed, endurance, determination, and sportsmanship. " It was also the encapsulation of a fascinating rivalry, hard fought and of historic proportions. In the tradition of John McPhee ' s classic Levels of the Game, Strokes of Genius deconstructs this defining moment in sport, using that match as the backbone of a provocative, thoughtful, and entertaining look at the science, art, psychology, technology, strategy, and personality that go into a single tennis match. With vivid, intimate detail, Wertheim re-creates this epic battle in a book that is both a study of the mechanics and art of the game and the portrait of a rivalry as dramatic as that of Ali – Frazier, Palmer – Nicklaus, and McEnroe – Borg. " Deftly touches on all the defining factors of contemporary tennis. " —San Francisco Chronicle " Illuminates a kingdom changing hands. An engrossing book. " —Bud Collins

"Electrifying." —The New York Times Book Review " Exhibits the potent blend of literary eloquence and street cred that earned him a Pulitzer Prize... D i a z ' s prose is vulgar, brave, and poetic. " —O Magazine
From the award-winning author, a stunning collection that celebrates the haunting, impossible power of love. On a beach in the Dominican Republic, a doomed relationship flounders. In a New Jersey laundry room, a woman does her lover ' s washing and thinks about his wife. In Boston, a man buys his love child, his only son, a first baseball bat and glove. At the heart of these stories is the irrepressible, irresistible Junior, a young hardhead whose longing for love is equaled only by his recklessness--and by the extraordinary women he loves and loses. In prose that is endlessly energetic, inventive, tender, and funny, these stories lay bare the infinite longing and inevitable weakness of the human heart. They remind us that passion always triumphs over experience, and that " the half-life of love is forever. "

Since 2004, two names have dominated men ' s tennis: Rafael Nadal and Roger Federer. Each player is legendary in his own right. The Spanish Nadal is the winner of sixteen Grand Slam titles, including five consecutive French Open singles titles from 2010-2014, and is the only player ever to win a Grand Slam for ten straight years. Federer, from Switzerland, has spent over three hundred weeks of his career ranked as the number-one player in the world and has won twenty Grand Slam titles and two Olympic medals. But neither player ' s career would have been nearly as successful without the decade-long rivalry that pushed them to rise to the peak of tennis excellence. Nadal and Federer have met thirty-eight times over the course of their careers, and have shared the distinction of being ranked the two best players in the world for an astounding six years in a row from 2005-2008. In Roger Federer and Rafael Nadal, international sports journalist Sebastian Fest uses information gleaned from his numerous interviews with both players over the last decade to narrate the rivalry, and its impact not only on the players, but on the sport itself. Documenting their respective wins and losses, hopes and disappointments, and relationships with their rivals, Fest formulates a unique biography of two of the greatest players of tennis.
