Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

From the man who wrote the music that outsold the Beatles and the Rolling Stones in 1967-1968, . Immerse yourself in Grammy, Golden Globe, and Academy Award nominated songwriter Bobby Hart ' s world as he shares an exclusive glimpse into his life. Psychedelic Bubble Gum is the story behind his success, the rise of Boyce and Hart as musical goliaths, and their role in launching the Monkees to stardom. With unbending sincerity, Hart details a life of extravagance, betrayal, loss, disillusionment, and an unstoppable personal struggle to find balance, peace, and love. Psychedelic Bubble Gum is a rollercoaster ride through the 1960s and 70s America ' s whirlwind era of free speech, mysticism, and psychedelic pop culture packed with intimate behind-the-scenes encounters with pop star royalty. Psychedelic Bubble Gum is tempered by humor, honesty, and a singular understanding of the industry.

Explores cities as the origin of revolutionary politics, where social and political issues are always at the surface, using examples from such cities as New York City and Mumbai to examine how they can be better ecologically reorganized.

Understandable and useful, Managing Lakes and Reservoirs addresses the enormous amount of information on lake management that has developed in the decade since the publication of the manual ' s first two editions (Lake and Reservoir Restoration Guidance Manual, 1988 and 1990). The first two manuals dealt primarily with restoration of lakes, but this third edition moves beyond restoration issues to focus on ongoing management of lakes and processes that communities of citizens, policymakers, scientists, and enforcement agencies can use to achieve desired outcomes for their local lakes. Distributed for the North American Lake Management Society
