The complete screenplay of Slacker--a film depicting a twenty-four-hour period in Austin, Texas, in which characters wander around doing nothing--is accompanied by the director's notes that reveal how the no-budget film defined a generation. Original.

From the bestselling author of Swindle, Restart, and Slacker is another hilarious story about an underachiever who learns to go above and beyond.

The '90's answer to The Preppie Handbook is a satiric, humorous and comprehensive critique, written by the ultimate slacker, that reveals rules, guidelines and recommendations for being a state-of-the-art slacker. The book features a hip MTV-like format with fast-cut sidebars, cartoons, photos, lists, quizzes and charts.

A charming, unambitious, leisure-loving young woman, Jane Cooper is an anomaly in workaholic New York City, until her cute boss Ray puts his own job on the line to keep her from being fired and she discovers that her commitment to slacking is causing real problems, forcing her to come up with a plan to save her job, her company, her friendship, and her heart. A first novel. Original.

Let's face it. Most of us are clueless when it comes to praying. Why is that? And how come we've never done anything about it? In Confessions of a Prayer Slacker, author Diane Moody traces her own personal prayer journey with a touch of humor and a healthy dose of transparency. "I want my readers to stop the merry-go-round of prayerlessness, quit acting like a bunch of spiritual babies, and get serious about this thing called prayer. Without it, we'll never experience the warm, one-on-one relationship God desires to have with each one of us."

Parents who are fed up with the pressure to turn their children into star athletes, concert violinists, and merit scholars--all at once!--finally have an alternative: the world of Slacker Moms, where kids learn to do things for themselves and parents can cut themselves some slack; where it's perfectly all right to do less, have less, and spend less. Slacker moms say "No" to parenting philosophies that undermine parents'-and children's-ability to think for themselves. They say "Yes" to saving their money and time by opting out of the parenting competition. And they say "Hell, Yes!" to having a life of their own, knowing it makes them better parents. In this witty and insightful book, author Muffy Mead-Ferro reflects on her experience of growing up on a ranch in Wyoming, where parenting-by necessity--was more hands-off, people "made do" with what they had, and common sense and generational wisdom prevailed. We should all take her sane lead!
