Soccer is undeniably the most popular sport in the world. While we know much about its high-profile players and their increasing wealth and global influence, we know little about referees and the ways in which refereeing has changed throughout the history of the sport. This book provides an in-depth exploration of the evolution of the match official. It presents a comparative analysis of elite Association football referees in England, Spain and

Italy, as well as offering insights into the involvement of UEFA and FIFA in referee training. Drawing on archive material, the book documents the historical development of refereeing and sheds new light on the practice of elite refereeing in the present day. Including exclusive interviews with elite and ex-elite referees, as well as with professional soccer managers and members of the broadcast media, it considers the current role of match officials and the challenges and controversies they encounter. *Elite Soccer Referees: Officiating in the Premier League, La Liga and Serie A* is fascinating reading for all students and scholars with an interest in soccer, sport history, sport policy, sport management and the sociology of sport.

alien. But he's not so blind that he can't see there are some very unusual things about his family's new home in Tangerine County, Florida. Where else does a sinkhole swallow the local school, fire burn underground for years, and lightning strike at the same time every day? The chaos is compounded by constant harassment from his football star brother, and adjusting to life in Tangerine isn't easy for Paul until he joins the soccer team at his middle school. With the help of his new teammates, Paul begins to discover what lies beneath the surface of his strange new hometown. And he also gains the courage to face up to some secrets his family has been keeping from him for far too long. In Tangerine, it seems, anything is possible.

training materials stink. They spend so much time focused on rules and signals, they miss the simple communication ideas that will help you survive those scary first few games, and become a better sports league official. What do you do when a decision is 100% correct call, and everyone hates it? How do you handle conflict and confusion? What brain instincts and habits make it harder to become a great referee ? Shawn D. Madden, founder of Underdog Sports Leagues, takes 20 years of experience training recreational refs, and teaches communication for any sport or program with 5 Key Communication Habits. Loving sports is never enough. You need a communication system to get you through the tough calls, and the hard games, that sink so many new refs. Do you train and teach other refs and umps? Are you constantly short refs for your program? Do
