Fender of all time—it was the first production solid-body electric guitar, setting the style for everything that followed. To say this guitar changed the world of music is no over-the-top boast. This is the first history and giftbook devoted to the legendary Tele. It covers the development of the guitar and the

professional journeys.

Born illegitimate in  
1945 and raised by his  
grandparents, Eric never  
knew his father and,  
until the age of nine,  
believed his actual  
mother to be his sister.

In his early teens his  
solace was the guitar,  
and his incredible talent  
would make him a cult  
hero in the clubs of  
Britain and inspire

himself to the little  
acorn. His comparisons  
lead to coveting,  
scheming, lying and  
even stealing! He learns  
some very important  
lessons along the way;  
like what we wear on  
the outside cannot  
change who we are on  
the inside and that God  
knows just what He's  
doing when He creates
