Fernand has married Mercédès and is now known as Count de Morcerf. Monte Cristo releases information to the press that proves that Morcerf is a traitor, and Morcerf is ruined socially. Then Monte Cristo destroys Morcerf's relationship with his family, whom he adores. When they leave him, he is so distraught that he shoots himself.

The Count of Monte Cristo (French: Le Comte de Monte-Cristo) is an adventure novel by French author Alexandre Dumas completed in 1844. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet.The story takes place in France, Italy, and islands in the Mediterranean during the historical events of 1815-1839: the era of the Bourbon Restoration through the reign of Louis-Philippe of France. It begins just before the Hundred Days period (when Napoleon returned to power after his exile). The historical setting is a fundamental element of the book, an adventure story primarily concerned with themes of hope, justice, vengeance, mercy, and forgiveness. It centres around a man who is wrongfully imprisoned, escapes from jail, acquires a fortune, and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal, and selfishness, shown throughout the story as characters slowly reveal their true inner nature.The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood.

On the eve of his wedding, a young sailor named Edmond Dantès is wrongly accused of treason and imprisoned for life in the Château d'Iff, a reputedly impregnable island fortress. After a daring escape, Dantès unearths a treasure revealed to him by another prisoner and devotes the rest of his life to tracking down and punishing the enemies who wronged him, in disguise as the mysterious Count of Monte Cristo. Set against the dramatic upheavals of the years after Napoleon, Alexandre Dumas's epic tale of betrayal and revenge is one of the most thrilling and enduringly popular adventure novels ever written.

A popular bestseller since its publication in 1844, The Count of Monte Cristo is one of the great page-turning thrillers of all time. Thrown in prison for a crime he has not committed, Edmond Dantes is confined to the grim fortress of If. There he learns of a great hoard of treasure hidden on the Isle of Monte Cristo and he becomes determined not only to escape, but also to unearth the treasure and use it to plot the destruction of the three men responsible for his incarceration. Dumas' epic tale of suffering and retribution, inspired by a real-life case of wrongful imprisonment, was a huge popular success when it was first serialized in the 1840s. The story of his long imprisonment, dramatic escape, and carefully wrought revenge offers up a vision of France that has become immortal.

Edmond Dantès is a young man about to be made captain of a cargo vessel and marry his sweetheart. But he is arrested at his pre-wedding feast, having been falsely accused of being a Bonapartist. Thrown into the notorious Château d'Iff prison, he eventually meets an ancient inmate who teaches him language, science, and passes hints of a hidden fortune. When Edmond makes his way out of prison, he plots to reward those who stood by him (his old employer, for one), and to seek revenge on the men who betrayed him: one who wrote the letter that denounced him, one that married his fiancée in his absence, and one who knew Dantès was innocent but stood idly by and did nothing. The Count of Monte Cristo is another of Alexandre Dumas' thrilling adventure stories, possibly more popular even than The Three Musketeers. Originally serialized in a French newspaper over the course of a year-and-a-half, it was enormously popular after its publication in book form, and has never been out of print since. Its timeless story of adventure, historical drama, romance, revenge, and Eastern mystery has been the source of over forty movies and TV series. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

This carefully crafted ebook: "The Count Of Monte Cristo (Complete)" is formatted for your eReader with a functional and detailed table of contents. The Count of Monte Cristo (French: Le Comte de Monte-Cristo) is an adventure novel by French author Alexandre Dumas (père). It is one of the author's most popular works, along with The Three Musketeers. Dumas completed the work in 1844. The story takes place in France, Italy, islands in the Mediterranean, and in the Levant during the historical events of 1815–1838. It is an adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood." This English translation was originally published in 1846 by Chapman and Hall, London.

WINNER OF THE 2013 PULITZER PRIZE FOR BIOGRAPHY General Alex Dumas is a man almost unknown today, yet his story is strikingly familiar—because his son, the novelist Alexandre Dumas, used his larger-than-life feats as inspiration for such classics as The Count of Monte Cristo and The Three Musketeers. But, hidden behind General Dumas's swashbuckling adventures was an even more incredible secret: he was the son of a black slave—who rose higher in the white world than any man of his race would before our own time. Born in Saint-Domingue (now Haiti), Alex Dumas made his way to Paris, where he rose to command armies at the height of the Revolution—until he met an implacable enemy he could not defeat. The Black Count is simultaneously a riveting adventure story, a lushly textured evocation of 18th-century France, and a window into the modern world's first multi-racial society. TIME magazine called The Black Count “one of those quintessentially human stories of strength and courage that sheds light on the historical moment that made it possible.” But it is also a heartbreaking story of the enduring bonds of love between a father and son.

On his wedding day, Edmond Dantès, a sailor, is arrested for treason. Charged with being a Bonapartiste, he is wrongfully imprisoned without trial in the dreaded Château d’Iff. Dantès has been betrayed, concludes his fellow prisoner and mentor, Abbé Faria. After a dramatic escape from prison, Dantès acquires a fortune at the Island of Monte Cristo, and returns to France as the mysterious and sought-after Count of Monte Cristo. With steely resolve, he sets about wreaking vengeance on those who conspired his ruination. And with devastating consequences. Set in France, Italy, and the islands in the Mediterranean during the historical events of 1815–1839, this literary classic by Alexandre Dumas (père), originally published between 1844 and 1845, is an exploration of universal themes like romance, hope, loyalty, betrayal, vengeance, forgiveness and justice.

Who is the mysterious Count of Monte Cristo and how did he acquire his magnificent wealth? This rip-roaring tale of revenge is packed with adventure - from a daring prison escape to a hunt for hidden treasure and a duel at dawn.

'people get out of prison, and when they get out, and their name is Edmond Dantès, they take their revenge!' Falsely accused of treason, the young sailor Edmond Dantès is arrested on his wedding day and imprisoned in the island fortress of the Château d'Iff. Having endured years of incarceration, he stages a daring and dramatic escape and sets out to discover the fabulous treasure of Monte Cristo, and to catch up with his enemies. A novel of enormous tension and excitement, The Count of Monte Cristo is also a tale of obsession and revenge. Believing himself to be an 'Angel of Providence', Dantès pursues his vengeance to the bitter end, only then realizing that he himself is a victim of fate. One of the great thrillers of all time, The Count of Monte Cristo has been adapted for film and television many times. This newly revised, unabridged translation is as unputdownable now as it was when the novel first appeared, and William Thackeray, enthralled, 'began to read Monte Cristo at six one morning and never stopped till eleven at night'. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

With the post-Napoleonic era as the back-drop, the novel covers the life of a young sailor, Edmond Dantes. The narration follows him from near-triumph to complete disaster and then his swashbuckling adventures to get freedom and revenge. The blustering journey of the protagonist keeps the reader on the edge.
