crafting oil-, cream-, and vegetable-based soaps, and then start experimenting with your own personalized scents and effects. Cavitch provides tips for making more than 40 different specialty soaps, showing you how to design colorful marbled bars and expertly blend ingredients to create custom fragrances. You ' ll soon be making luxurious soaps at a fraction of the cost of boutique products. Important Notice Early printings of this book contain a recipe variation in a sidebar note on page 36. As a result of further testing, author Susan Miller Cavitch and Storey Publishing strongly recommend that you do not try this variation. Adding honey when you are combining the sodium hydroxide and water may result in a stronger reaction with more intense heat. The

joy and pleasure for those people who are engaged in this process. Soap produced in large volumes, in chemical industries, cleans so well, that it washes, along with dust and dirt, all the protective oils from our skin. And we end up with dry, prematurely aging skin. Our book with handmade soap recipes will teach you how to create the best handmade soap - a soap that contains natural oils and organic additives - honey, oats, calendula flowers, chocolate and more. Homemade soap is enriched with oils such as olive, sea buckthorn, peach, wheat germ oil and many more oils that have a moisturizing, rejuvenating and anti-cellulite effect. Easy natural homemade soap is a great and original gift, which hardly anyone could remain indifferent about.
