Really you will not find a "collection" of verses as is in the title, you will find few, it is a poor source for verses. If you are looking for verses try other book. However it has for each Odù a short description, yes, very short, but it helps a lot, better than cuban tratados which are very bad.

The Holy Odu: A Collection of verses from the 256 Ifa Odu with Commentary Odù Ifá: "DIVINE VERSES": Sacred Book of the Yoruba Nation Angels from Heaven EVMS ODU MPH Program Kad Odu Svi The Future That Vanished: A Biafra Story Book Production Processes: A Practical Guide (English Edition) ...

The Holy Odu is a collection of Odus from the Ifa Literary Corpus . These sacred teachings have been passed down orally for thousands of years only to be first written about in the 20th century. This collection contains a small sampling of the entire corpus with 2 ese ( verses) for each of the 16 major Odus and 1 ese ( verse) for each of the minor Odu. This collection is enhanced by practical commentary for contemplation and interpretation for each of the 256 odu. Awo Fategbe' further expands this book by offering several chapters on Yoruba Theology and the Interpretation of the verses. Iyanifa Fayele' Faseguntunde offers an introduction on African philosophical thought.

As an English-language manual for IFA priests that provides important translations for the Odus, Orunmila's Words Don't Touch the Floor: IFA Odu Synthesis stands as a rarity in the IFA religion. Religious workers have few English resources, and the creative approach taken in this book will heighten its appeal

# Download File PDF The Holy Odu A Collection Of Verses From The 256 Ifa Odu With Commentary

to those involved in the faith's divination practices. From its structural format to the detailed descriptions of each Odu, this manual provides thorough instructions to English speaking priests seeking to serve their communities.

This book celebrates the plants of the Old Testament and New Testament, including the Apocrypha, and of the Quran. From acacia, the wood of the tabernacle, to wormwood, whose bitter leaves cured intestinal worms, 81 fascinating chapters—covering every plant that has a true botanical counterpart—tell the stories of the fruits and grains, grasses and trees, flowers and fragrances of ancient lore. The descriptions include the plants' botanical characteristics, habitat, uses, and literary context. With evocative quotations and revelatory interpretations, this information is all the more critical today as the traditional agrarian societies that knew the plants intimately become urbanized. The unusually broad geographic range of this volume extends beyond Israel to encompass the Holy Land's biblical neighbors from southern Turkey to central Sudan and from Cyprus to the Iraq border. Richly illustrated with extensive color photography and with a foreword by the incomparable Garrison Keillor, this delightful ecumenical botany offers the welcome tonic of a deep look into an enduring, shared natural heritage.

Orunmila is the King Yesterday Today and Forever 256 Odu's of wisdom, is the grand Ifá manual, it is the 256 letters of Ifá with everything Orunmila originally intended an Ifá book to have. This book is not just a synthesis of explanations but the full detail of every Odu in its entirety. All the stops have been pulled out in this grand manual with more verses, plants, African prayers, each Pataki has been selected for the specific Odu it is talking about in the verse. The Ebo's, recommendations for specific situations a Babalawo might find themselves in that will not allow the reading to close have been updated as well. Every detail has been extended to its maximum effectiveness, and any all seeking to find answers with this manual will be met with a loss of breath by the amount of information that is inculcated in this book. We hope you enjoy this manual for years and years to come.

"The sacred texts of Ifa, repository of the accumulated wisdom of countless generations of Yoruba people, are an invaluable source not only for all students of African oral literature and Yoruba civilization, but also for future generations interested in the continuing vitality of Ifa divination and a Yoruba way of life and thought." --Henry Drewal This landmark study of Ifa, the most important and elaborate system of divination of the Yoruba people of Nigeria, remains a

# Download File PDF The Holy Odu A Collection Of Verses From The 256 Ifa Odu With Commentary

monumental contribution to scholarship in anthropology, folklore, religion, philosophy, linguistics, and African and African-American studies.

An inspirational overview of the West African Yoruba traditional indigenous religion and tradition of Ifa, which has spread to worldwide importance. Related to Orunmila, Orisha, Ifa, Odu, Esu, Olodumare, and so on.

In this book, Gil H. Renberg analyzes in detail the vast range of sources for "incubation," dream-divination at a divinity's sanctuary or shrine, beginning in Sumerian times but primarily focussing on the Greeks and Greco-Roman Egypt.

Explores the essence of life by means of the ancient African divination tool, which is also the spiritual foundation of Candomblé, Santería, and Vodun

This book is a Contextual Reference Guide that provides a brief synopsis of the overall energy of the Odu Ifa. It has been compiled based on my in-depth research in the written literature and guidance provided by established and competent Babalawo and Awo. It is comprised of the descriptive personhood of the Sacred verses as well as some taboos and sacrifices. This Contextual

# Download File PDF The Holy Odu A Collection Of Verses From The 256 Ifa Odu With Commentary

Reference Guide is in no way exhaustive and should be used coupled with information and research primarily focused on the rituals, medicines, and sacrifices of the Odu Ifa. Future publications related to this Contextual Reference Guide may include specific rituals, medicines, and sacrifices however they will come with further research and of course the guidance of well-established and competent Babalawo', Iyanifa' and Awo'. This book has been written in the hopes that it will assist those born in the western diaspora to contextualize and digest the information presented in the original texts of the sacred Scriptures of Odu Ifa. Many of us rightfully travel to Nigeria for our initiations however the Western lifestyle does not often provide the time in which it would take to study under our Elders long enough to gather a comprehensive understanding of these verses. This book is my attempt to assist us with this work. I pray that it be accepted by my Elders and respected by my colleagues in Ifa. As an American Iyanifa, it is with respect for this tradition that I have undertaken this heavy and very important task and I have not done so alone. I would like to give thanks to those Priests that have contributed their knowledge and wisdom to my work. Thank you and enjoy.
