Since its original publication twenty years ago Rian Malan's classic work of narrative nonfiction My Traitor's Heart has earned its author comparisons to masters of literary nonfiction like Michael Herr and Ryszard Kapuscinski. The Lion Sleeps Tonight is Malan's remarkable chronicle of South Africa's halting steps and missteps, taken as blacks and whites try to build a new country. Some of the essays previously appeared in a collection published only in South Africa, Resident Alien, but others are collected here for the first time. The collection comprises twenty-three pieces; the title story investigates the provenance of the world famous song "The Lion Sleeps Tonight," which Malan traces back to a Zulu singer named Solomon Linda who recorded a song called "Mbube" in the 1930s, which went on to be covered by Pete Seeger, REM, and Phish, and was incorporated into the musical "The Lion King." In other stories, Malan follows the trial of Winnie Mandela and plunges into the explosive controversy over President Mbeki's AIDS policies of the 1990s. The stories, combined with Malan's sardonic interstitial commentary, offer a brilliantly observed portrait of contemporary South Africa.

The author comments on the devil, the book of Revelation, the millennium, Elvis, innocence, autobiography, and politics.

In the late 1970's the cocaine was pure and the lust for sex, drugs, and money corrupted the body and soul. The casino boom was flourishing in Atlantic City; and the Natalie Crime Family was making millions. However, the son of a Brooklyn crime boss became slipshod and haughty, disregarding the code of silence and the old-world philosophy of Sicily. This leads to a series of catastrophic events all caught on F.B.I. surveillance tapes. This is a gripping look at the mafia mentality, narrated by a convict rotting away in a federal prison, who reflects back upon his life explaining what went wrong and how the events of the spring of 1977 destroyed one of the most powerful crime families in the world. What makes Lions at the Gate special is the naked depiction of the mafia, the kangaroo courts, and the corrupt incarceration system.

In a book that marks the author's 20th year of uncovering suppressed information, he takes the manipulation of the human race and the nature of reality to new levels of understanding and calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. Original.

Johnstone Country. Frontier Spirit Lives Here. The bestselling masters of the American West add a deadly new twist to the epic saga of U.S. Marshal Will Tanner. This time, the hunter becomes the hunted . . . EVIL NEVER SLEEPS He's the most notorious cattle rustler in all of Texas. His name—Jebediah Cotton—strikes fear into the hearts of every rancher in the territory. So it's more than a little strange that someone would shoot Cotton's youngest son in the back. Whoever did it is either a coward, a fool, or a crazy man. Whoever did it must die. Even if he's a U.S. deputy marshal named Will Tanner . . . So begins not one, but two of the deadliest manhunts in frontier history. As Will Tanner sets off into Oklahoma Territory in pursuit of godless bank robber named Parson McCoy, Jebediah Cotton sends his five remaining sons and cold-blooded brother-in-law after him. Will has no idea he's being stalked. But when there are this many players in the game, a U.S. deputy marshal has two choices: kill them all or die trying . . .
